Melissa Ballard moved to continue the Public Hearing for ZDC-24-2023 to the July 25, 2023 Planning and Zoning Commission meeting. Betty Square Coleman seconded, All Ayes.

7. Consider a request by Stephen Dial, STV Inc, for a Plat of Ellis County JP2, Lot 1, Block 1, being 4.245 acres, located approximately 2,000 feet northwest of 2541 W US Highway 287 Business, situated in the William J. Boyd Survey, Abstract 109, an addition to the City of Waxahachie and in the Extra Territorial Jurisdiction of the City of Waxahachie (Property ID: 290705) – Owner: ELLIS COUNTY, TEXAS (SUB-45-2023) Staff: Zack King

Zack King, Senior Planner, presented the case noting the applicant proposes to plat the subject property into one (1) commercial lot. The proposed Plat includes a 10' right-way-way (ROW) dedication along US 287 Business, in conformance with the City of Waxahachie Thoroughfare Plan. A portion of the subject property is located outside of the Waxahachie city limits; however, Ellis County has elected to waive their platting authority for this property. Thus, only the regulations of the City of Waxahachie Subdivision Ordinance apply to this plat. The proposed plat adheres to all requirements of the Waxahachie Subdivision Ordinance. In lieu of park land dedication, the applicant has proposed to dedicate an additional 15' regional trail easement to extend the regional Waxahachie-Midlothian trail. Based on the details provided in the Staff Report and the present status of the documents subject to the request, staff recommends approval of the plat request.

### Action:

David Hudgins moved to approve SUB-45-2023, a Plat of Ellis County JP2, Lot 1, Block 1, authorizing the Planning & Zoning Commissioner to sign the associated documents accordingly. Betty Square Coleman seconded, All Ayes.

8. Public Hearing on a request by Mahendra Kandepu, Lillian Custom Homes, for an Amendment to Ordinance No. 3105, to allow for a revised site plan and development standards within an approved Planned Development located at the intersection of Vermont Street and Parks School House Road (Property ID: 226116) – Owner: FALCON'S LANDING A SERIES OF EIS DEVELOPMENT II LLC (ZDC-153-2022) Staff: Zack King

Mr. King presented the case noting the existing Planned Development was approved on April 1, 2019, with Ordinance 3105. The developer received Civil Construction Plan approval, but the City has not yet accepted infrastructure for the development. The applicant is requesting to amend Ordinance 3105 in order to include a detailed Elevation/Façade Plan, Detailed Site Plan, Landscape Plan, and allow for front entry townhomes on Block A.

The existing Planned Development was originally approved in 2019 under the name Peter's Point. The development included a total of four (4) buildings, each with up to six (6) townhomes. Each townhome was proposed to be on a fee simple, individually platted lot. At that time no detailed site plan was provided, but all twenty-four (24) proposed lots were required to be alley-served, rear-entry products.

The subject property came under new ownership in 2021 and the new ownership began preparing civil construction plans shortly after. During these preparations, the new ownership team identified a grading issue on the western portion of the property that would make the development of an alley and the extension of sewer infrastructure to the rear of the property more difficult than initially expected. To work around this issue, the owner proposed an alternative design that eliminated the alley on Block A and moved sewer infrastructure to the front of the lots. The Waxahachie Utilities Department confirmed that this alternative was feasible from a construction standpoint, but notified the applicant the change would still need to be approved through an amendment to the existing PD. The owner proceeded to install street and utility infrastructure for the development and completed this work in the fall of 2022.

(4)

The owner subsequently submitted a formal PD Amendment Application in November of 2022, seeking to amend the PD to eliminate the requirement for the townhomes on Block A to be alleyserved, rear entry products. As part of the application, the owner has also worked with staff to prepare a detailed site plan, landscape plan, and elevation/façade plan for inclusion in the PD Amendment. These documents were absent in the original PD. The site plan, landscape plan, and elevation/façade plan comply with the revised PD development regulations and the applicable regulations of the Waxahachie Zoning Ordinance.

Existing PD Regulations	Proposed Development Regulations
All units are required to have a rear entry one	All units are required to have two (2) car
(1) car garage.	garages. Townhomes on Block A shall be front entry.
No fencing standards.	Townhomes on Block A shall have backyards
	with 6' fencing per the fencing exhibit.

The original PD includes a requirement for using at least 70% masonry exterior construction materials for the townhomes, with cementous fiberboard included as a masonry material. With this PD Amendment, the owner is not seeking to deviate from this requirement, but is providing additional detail on the proposed exterior construction material for each building. Each building is now proposed to be 100% masonry, comprised of brick veneer, stone veneer, and cementous siding.

Staff has received two (2) letters of opposition to the proposed PD Amendment. Due to the additional site detail, landscape detail, and architectural regulations proposed with the PD Amendment, staff recommends approval of the PD Amendment request, subject to the following conditions:

- 1. A mutually agreed upon Development Agreement will be required to be executed prior to the issuance of building permits. The Development Agreement shall include the type and percentage of the proposed exterior construction materials for each building.
- 2. The property shall be platted prior to the issuance of building permits for the development.
- 3. The applicant shall obtain building permits from the City of Waxahachie Building & Community Services Department prior to construction of the townhomes.

Commissioners expressed concern with the proposed elevation/façade, landscaping, variation from the 2019 concept plan, and not conforming with the approved Planned Development. It was confirmed the property owner installed the infrastructure prior to approval of an amendment to the approved Planned Development.

Mahendra Kandepu, representative of the owner, Lillian Custom Homes, explained a grading issue was identified on the western portion of the property that would make the development of an alley and the extension of sewer infrastructure to the rear of the property more difficult than initially expected. He noted the proposed façade has increased to 100% masonry.

It was the general consensus of the Commission that the elevation/façade of the townhomes need to be revised to distinguish between the different units, landscaping at the entry needs improvement, and larger caliper trees should be considered for the development.

Chairman Keeler opened the Public Hearing.

There being no others to speak for or against ZDC-153-2022, Chairman Keeler closed the Public Hearing.

After a lengthy discussion, the applicant agreed to continue the Public Hearing to allow adequate time to work with staff to amend their proposal.

# 9. Consider recommendation of Zoning Change No. ZDC-153-2022

### Action:

Betty Square Coleman moved to continue the Public Hearing for ZDC-153-2022 to a future Planning and Zoning Commission meeting.

City Secretary Amber Villarreal explained if the Public Hearing is not continued to a specific date, the case will require the zoning change procedures to start over with new property owner notices and publication in the newspaper. Ms. Pruitt confirmed staff is prepared to start over.

### Melissa Ballard seconded, All Ayes.

10. Consider a request by Tim Jackson, Texas Reality Capture & Surveying, LLC, for a Plat of Moody 2, Lot 1, Block A, being 1.139 acres, located at 630 Boyce Road, situated in the S. Peters Survey, Abstract No. 831, an addition in the Extraterritorial Jurisdiction of the City of Waxahachie (Property ID 189308) – Owner: TONY & DEBRA MOODY (SUB-12-2023) Staff: Eleana Tuley

Eleana Tuley, Senior Planner, presented the case noting the applicant requests to plat a 1-acre tract into one (1) lot for residential use located at 630 Boyce Road in the City of Waxahachie extraterritorial jurisdiction (ETJ). The subject property is part of a 40-acre tract. The owner is platting one acre of the overall property to sell the subject property. Per the Texas Local Government Code (Section 232.0015), the property owner is not required to plat the remainder of the tract if greater than ten acres. Adequate public facilities are available to serve the subject property; however, the property owner shall install a water meter per Rockett SUD standards

before recording the plat. Additionally, the property owner shall apply for an OSSF permit with Ellis County when the property owner is ready to construct a single-family residence on the subject property. Based on the details provided in the Staff Report and the present status of the documents subject to the request, the Planning Department recommends approval of the Plat.

(4)

### Action:

Melissa Ballard moved to approve SUB-12-2023 for a Plat of Moody 2, Lot 1, Block A, authorizing the Planning & Zoning Commissioner to sign the associated documents accordingly. Erik Test seconded, All Ayes.

11. Consider a request by Serena Moir, for a Replat of Lots 1R and 1A-R, Cockerham Estates and a 20.33 acre tract of land in the Charles Green Survey, Abstract No. 922 and the M.V.B Rhodes Survey, Abstract No. 950, to create Lot 1R2, 1R3, and 3, Cockerham Estates, 3 Residential Lots, being 42.770 acres, located at 4110 FM 66, in the Extraterritorial Jurisdiction (Property ID 209024, 239265, and 239266) – Owner: SERENA & JAMES MOIR AND MICHELLE RIDER (SUB-49-2023) Staff: Eleana Tuley

Ms. Tuley presented the case noting the applicant requests to replat a 42.770-acre tract of land into three (3) lots for residential use at 4110 FM 66 in the City of Waxahachie extraterritorial jurisdiction (ETJ). Lots 1R2, 1R3, and a portion of lot 3 (approximately 8 acres) were previously platted lots as part of the Cockerham Estates Plat recorded in Cabinet M, Slide 362. The purpose of this plat is to incorporate an unplatted 20-acre tract of land into lot 3 and shift the property lines among lots 1R2 and 1R3. There is an existing single-family residence on each lot and all existing structures are fully contained within the new limits of the proposed property lines. Furthermore, all lots are served by adequate water and sewer facilities and no further infrastructure improvements are necessary. Based on the details provided in the Staff Report and the present status of the documents subject to the request, the Planning Department recommends approval of the Replat.

#### Action:

Melissa Ballard moved to approve SUB-49-2023 for a Replat of Lots 1R and 1A-R, Cockerham Estates, and a 20.33-acre tract of land in the Charles Green Survey, Abstract No. 922 and the M.V.B Rhodes Survey, Abstract No. 950, authorizing the Planning & Zoning Commissioner to sign the associated documents accordingly. Bonney Ramsey seconded, All Ayes.

12. Consider a request by Claudio Segovia, Johnson Volk Consulting, Inc., for a Replat of Lot 2, Block A, Commons at North Grove, 3 lots, being 3.001 acres, located across from 507 Country Meadows Blvd., (Property ID 290825) – Owner: KOTHA HOLDINGS GROUP, LLC (SUB-68-2023) Staff: Eleana Tuley

Ms. Tuley presented the case noting the applicant requests to replat one (1) lot (approximately 3 acres) into three (3) lots for non-residential use across from 507 Country Meadows Boulevard. Although the applicant has yet to submit a formal site plan application to the Planning Department for either of the three (3) lots, the applicant has expressed a keen interest in constructing a daycare, a restaurant (without a drive-through), and an office building. The applicant shall be required to obtain site plan approval and all necessary City permits to develop the property in question for

said uses in the future. As proposed, the plat complies with the zoning provisions in the North Grove Planned Development (PD) Ordinance and the City's subdivision regulations. Based on the details provided in the Staff Report and the present status of the documents subject to the request, the Planning Department recommends approval of the replat.

## Action:

Bonney Ramsey moved to approve SUB-68-2023 for a Replat of Lot 2, Block A, Commons at North Grove, authorizing the Planning & Zoning Commissioner to sign the associated documents accordingly. Erik Test seconded, All Ayes.

13. Public Hearing on a request by Jake Fears, JHF Engineering, for a Specific Use Permit (SUP) for a restaurant with a drive-through use within a General Retail (GR) and Light Industrial-1 (LI-1) zoning district located at 1995 North Highway 77 (Property ID 262424) - Owner: C&C WAXAHACHIE, LLC (ZDC-4-2023) Staff: Eleana Tuley

Ms. Tuley presented the case noting the applicant is requesting a Specific Use Permit (SUP) for a restaurant with a drive-through use at 1995 North Highway 77. The restaurant is part of a multi-tenant retail building (10,354 square feet) with four suites: a sit-down restaurant, a drive-through restaurant, a nail salon, and a dental clinic. The property owner has yet to finalize contracts with the prospective tenants; therefore, the applicant cannot disclose the businesses occupying each suite. The proposed development has satisfied all the requirements of the zoning ordinance, including, but not limited to, parking, stacking, and landscaping requirements.

The applicant provided two sets of architectural elevations. Both sets of elevations have the same building design and exterior finishing materials, except the color scheme for each set is different. Option 1, the building is mostly made of brick, with two different shades of brown (dark and light) with gray undertones. Additionally, natural stone materials are used in the lower portion of the building and features a stucco parapet roof. Option 2, the building is mostly made of brick, with two different shades of brown (dark and light) with red undertones. Additionally, natural stone materials are used in the lower portion of the building and features a stucco parapet roof. Option 2, the building is mostly made of brick, with two different shades of brown (dark and light) with red undertones. Additionally, natural stone materials are used in the lower portion of the building and features a stucco parapet roof. Based on the details provided in the Staff Report and the present status of the documents associated with the request, the Planning Department recommends approval of the SUP request with the following conditions:

- 1. The applicant execute a mutually agreed upon Development Agreement.
- 2. The applicant obtain the necessary building permits from the City of Waxahachie Building and Community Services Department.

Chairman Keeler opened the Public Hearing.

There being no others to speak for or against ZDC-4-2023, Chairman Keeler closed the Public Hearing.

# 14. Consider recommendation of Zoning Change No. ZDC-4-2023

# Action:

Planning and Zoning Commission July 11, 2023 Page 7

Erik Test moved to recommend approval of ZDC-04-2023, a Specific Use Permit (SUP) for a restaurant with a drive-through use, subject to the conditions of the staff report with elevation option 1, authorizing the City Manager and/or Mayor to execute all documents accordingly. Bonney Ramsey seconded, All Ayes.

15. Public Hearing on a request by James Dixon, Dixon & Associates, for a Specific Use Permit (SUP) for an Accessory Building (Residential), Greater than or Equal to 700 Square Feet use within the Single-Family Dwelling-2 (SF2) zoning district located at 149 Country Drive (Property ID: 203065) – Owners: NICHOLAS AND MARIA SIERRA (ZDC-48-2023) Staff: Oanh Vu

Oanh Vu, Planner, presented the case noting the applicant is requesting a Specific Use Permit to construct an accessory structure greater than 700 square feet on the rear side of the single-family residential lot at 149 Country Drive. The single-family dwelling has an approximate size of 2,913 square feet and the proposed accessory structure has an area of 725 square feet. The accessory structure will have an exterior masonry construction to match the primary building. The owner plans to utilize the accessory structure for storing household items, tools, lawn equipment, and vehicles. The structure will be situated at the back of the property, towards the southern part of the lot. The applicant has confirmed to staff the structure will not be used as a dwelling and will not be metered, sold, or leased separately from the existing home. Staff has received three (3) letters of support. Based on the details provided in the Staff Report and the present status of the documents associated with the request, the Planning Department recommends approval of the SUP request with the following conditions:

- 1. The accessory structure shall not be used as a dwelling without a Specific Use Permit that has been approved by City Council.
- 2. The accessory structure shall not be used for commercial purposes.
- 3. The accessory structure shall not be leased or sold separately from the primary residence and shall not be separately metered.
- 4. The accessory structure shall obtain a permit from the City of Waxahachie Building and Community Services Department before constructing the accessory structure.

Chairman Keeler opened the Public Hearing.

There being no others to speak for or against ZDC-48-2023, Chairman Keeler closed the Public Hearing.

# 16. Consider recommendation of Zoning Change No. ZDC-48-2023

# Action:

Melissa Ballard moved to recommend approval of ZDC-48-2023, a Specific Use Permit (SUP) for an Accessory Structure over 700 Square Feet use within a Single-Family 2 (SF-2) zoning district, subject to the conditions the staff report. Betty Square Coleman seconded, All Ayes.

# (4)

Planning and Zoning Commission July 11, 2023 Page 8

Jennifer Pruitt, Senior Director of Planning, congratulated Senior Planner Zack King for passing his AICP exam.

Betty Square Coleman requested developers fulfill approved requirements and produce quality developments.

Mayor Pro Tem Chris Wright expressed disapproval of the owner prematurely installing infrastructure without approval of an amendment to the Planned Development for ZDC-153-2022. Mr. Wright welcomed public feedback on short-term rentals in Waxahachie and expressed concern with approving a Specific Use Permit for a drive-through without knowing the prospective occupant.

The Planning and Zoning Commission and staff congratulated Zack King for passing his AICP exam.

There being no further business, the meeting adjourned at 8:02 p.m.

Respectfully submitted,

Amber Villarreal City Secretary

North	С	Undeveloped Land
East	C	Undeveloped Land
South	LI-2	Ellis County Fire Station #2 & Easy Self- Storage
West	С	Undeveloped Land

Future Land Use Plan:

Comprehensive Plan:

This placetype serves to create neighborhoods built with a traditional walkable block/street grid network that allows some variation in housing typologies. Although this placetype will predominantly consist of traditional single family detached housing, denser housing types are encouraged such duplex, cottage courts, and townhomes. Both residential and commercial uses need to be context sensitive. Commercial uses in this placetype may be a small pop up facility or a home converted to a small store front. Walkability is key for neighborhood commercial uses so that they are accessible from surrounding neighborhoods.

Thoroughfare Plan:

Site Image:

The primary access to the subject property is from Corporate Parkway (60' public right-of-way) on the Thoroughfare Plan. Additional right-of-way dedication is not required.

#### PLANNING ANALYSIS

#### Purpose of Request

The Applicant requests a specific use permit for a Heavy Equipment Rental and Sales use (H&E Equipment Services) within a Commercial (C) zoning district located at 2021 Corporate Parkway. H&E Equipment Services is one of the largest equipment rental companies in the nation. They plan to sell, rent and service heavy equipment at the proposed location. Based on the company's website the facility may rent and sell a variety of heavy equipment such as aerial work platforms, earthmoving equipment, forklifts and other general construction equipment. The business will generally operate Monday through Friday 7 am to 5 pm, and closed on weekends.

#### Proposed Development

The Applicant is proposing to construct a 6,140-square-foot building with a customer lobby, office and service shop. All customer parking (13 required/26 provided) will be located in front of the building. Heavy equipment for sale and rent will be located in the rear portion of the lot. The outdoor storage area will be screened with an 8-foot precast masonry wall with a brick pattern that will match the brick color on the main building. Additionally, the business will install a controlled access gate to the outdoor storage area to limit access to employees. The business will have a knox-box at the controlled access gate for emergency responders.

#### **Landscaping**

The landscape plan complies with the City's minimum landscaping requirements in Section 5.04 (Landscape Requirements) of the Zoning Ordinance. The Applicant provided nine additional live oak trees (6" caliper) along the eastern property line outside the 8-foot precast concrete wall. Additionally, the Applicant provided eight accent trees (3" caliper yaupon holly) in the front yard.

#### **Proposed Elevations**

The Applicant has provided two sets of architectural elevations. Both sets of elevations have the same building design and exterior finishing materials, except the color scheme for each set is different.

Option  $1 - \ln$  this option, the building is composed of 100 percent brick on the north, east and west elevations, and metal wall panels on the south elevation. The brick color is dark red.

Option 2 - In this option, the building is composed of 100 percent brick on the north, east and west elevations, and metal wall panels on the south elevation. The brick color is light red.

#### **Staff Recommendation**

After careful consideration and analysis, staff recommends denial of the proposed SUP request for heavy equipment rental and sales due to its negative impact on the viability of other commercial uses developing in the surrounding area. H&E rents and sells heavy machinery and equipment in high volumes since their customers are construction companies that work on large-scale projects, such as TxDOT roadway projects. H&E does not sell or rent equipment to the average consumer. Staff is concerned with the heavy truck traffic picking up and dropping off equipment and its impact on surrounding properties. Furthermore, the area in question is a thriving commercial center that has the potential to attract more sit-down restaurants and entertainment venues to the community. Therefore, in the interest of fostering a healthy and thriving commercial environment, staff believes it is essential to prioritize the long-term viability and sustainability of the surrounding area by denying this project.

Staff has also included a saturation map for existing and proposed heavy equipment rental and sales in the City of Waxahachie. In addition to the location of the proposed development, Staff is concerned about the concentration of heavy and equipment rental/sales uses in the City as a whole.

#### PUBLIC NOTIFICATIONS

To comply with State law contained in Local Government Code Chapter 211 and the City's public hearing notice requirements, 8 notices were mailed to property owners within 200 feet of the request. In addition, a notice was published in the Waxahachie Sun, and a sign was visibly posted at the property. Staff received six letters of support from the eight properties within the 200-foot notification area. It should be noted that the entity (Ledbetter Real Estate, LTD) that owns the subject property, also owns six of the eight properties within the 200-foot notification area.

In addition, to the six letters of support previously mentioned, the Applicant got five letters of support from the surrounding businesses, including C.A. Wilson Appliance, Electronics, & Mattresses, Cancun's Ameri-Mex Restaurant, Celebrity Café and Restaurant, Fish City Grill, and Mi Casa Mexican Cuisine. The businesses are outside the 200-foot notification area.

#### **RECOMMENDATION**

Based on the details provided in this Staff Report and the present status of the documents associated with the request, the Planning Department recommends denial of the SUP request with the conditions listed below.

- 1. The Applicant shall execute a mutually agreed upon development agreement.
- The subject property shall adhere to the following exhibits approved by the City Council: Exhibit A - Location Map, Exhibit B – Site Plan, Exhibit C - Landscape Plan, Exhibit D – Architectural Elevations, and Exhibit E – Perimeter Screening Wall Detail.
- 3. The brick on the perimeter screening wall provided in Exhibit E shall match the brick color on the main building.
- 4. Heavy equipment will be kept in a stowed position when stored or on display on-site.
- 5. The Applicant and/or Developer for the subject property shall be responsible for obtaining building permits per the City's applicable rules and regulations governing such permits.

Site Development Overview & Operational Plan Proposed H&E Equipment Services Facility 2021 Corporate Parkway Waxahachie, Texas

#### **Overview**

The proposed use of the subject property is for a construction equipment rental facility for H&E Equipment Services, Inc. (H&E). H&E's business model is predominantly focused on the rental of heavy construction equipment with the occasional sale of used equipment. Their primary customer contact is via telephone or via their website. They do not publicly display equipment and have little or no walk-in customer traffic. The site is a platted lot in the North Grove Business Park. The business park is bordered on the south by South Grove Creek with HI & LI zoned properties abutting the south side of the creek and to the north by the Atwood Ranch & Home development which is zoned PD-Commercial. The business park is bordered on the west by a BNSF railroad rightof-way and on the east by US Highway 77.

The H&E project will be the first lot to be developed in the rear (western) portion of the business park. We feel the use is compatible with the adjacent commercially zoned vacant lots as well as the Atwood's Ranch & Home Store which has a significant amount of unscreened merchandise such as farm equipment, trailers, fencing, and landscape materials as well as additional outdoor retail displays. In addition, the use is compatible with the predominantly HI & LI zoned properties between I-35 and US 77 that span from US 287 to the south up to the city limits to the north of the business park.

#### **H&E Equipment Services, Inc.**

H&E Equipment Services is one of the largest integrated equipment services companies in the United States focused on construction and industrial equipment, and trades on the Nasdaq Global Select Market under the symbol HEES. Through a network of over 130 branch facilities, the company rents, sells and provides parts and service support for specialized equipment including hi-lift or aerial platform, earthmoving, and general rental equipment. Products differ by location to serve the needs of the local market, and may include construction equipment, material handling equipment, or a wide variety of other machines and equipment. **More information about H&E Equipment can be found at** <u>www.he-equipment.com</u>.

#### **Facility Description**

The proposed development is a new construction of a prototype H&E branch facility including a building of approximately 6,000 square feet comprised of a small office space and service bays with overhead doors. Additional improvements to the site include an attached wash bay, equipment charging stations and paved equipment staging and loading areas surrounded by an 8' tall pre-cast concrete screen wall. See examples of this screen wall product on the following page.

The anticipated staffing for the proposed facility is 15 employees, including drivers, service technicians, administrative staff, and management. The operational day use is for staging, delivery, and maintenance of an equipment fleet rented to contractors and other commercial companies. There will be no retail products

displayed for sale, and limited walk-in customer traffic. Anticipated operating hours are from 7:00 am to 5:00 pm Monday through Friday – they are generally not open on Saturday or Sunday.

#### PLANNING ANALYSIS

The applicant requests to plat a 3.430-acre tract into three (3) lots for residential use. The proposed plat provides a 40' right-of-way (ROW) dedication for Gibson Road along the northern property line in conformance with the Ellis County Thoroughfare Plan. Each proposed residential lot exceeds one (1) acre in size and adheres to all County subdivision standards. Adequate public facilities are available to the proposed lots through Rockett SUD water lines and on-site septic systems.

#### RECOMMENDATION

Based on the details provided in this Staff Report and the present status of the documents subject to the request, the Planning Department recommends approval of the Plat.

#### ATTACHED EXHIBITS

- 1. Plat (Exhibit A)
- 2. Water Utility Provider's Endorsement (Exhibit B)

#### **APPLICANT REQUIREMENTS**

- 1. If approved by the Planning and Zoning Commission, within 30 days, the applicant shall provide the Planning Department one revised electronic plan set that incorporates all comments.
- 2. Once the revised plans are provided, staff will verify all outstanding comments were satisfied.
  - a. If comments were not satisfied, then applicant will be notified to make corrections.
    - b. If all comments satisfied, applicant shall provide five signed, hard-copy plats.

#### **CITY REQUIREMENTS FOR PLAT RECORDING AND FILING**

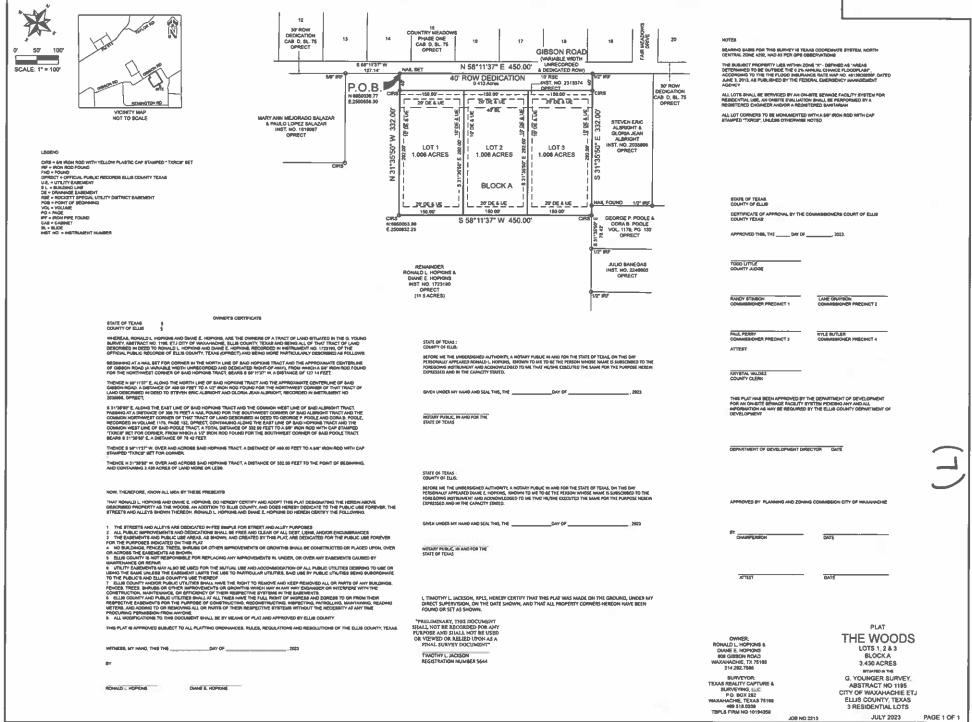

A plat shall not be filed with the Ellis County Clerk until:

- 1. The Applicant has received a letter of acceptance from the Public Works Department confirming all utilities, infrastructure, and other required improvements have been installed, inspected, and accepted by the City.
- 2. A drainage study has been conducted and/or a traffic impact analysis has been conducted as required by the City's Subdivision ordinance.

#### PLANNING ANALYSIS

The Applicant requests to plat a 5-acre tract into one lot for non-residential use. The subject property is located at 3134 South Highway 77 in the Extraterritorial Jurisdiction (ETJ). Adequate water and sewer facilities are available to serve the subject property. Additionally, the Applicant is dedicating 10 feet of public right-of-way to contribute to the ultimate right-of-way width for South Highway 77 (120' public right-of-way), a major arterial on the City's Thoroughfare Plan. Staff recommends approval of plat since it complies with the City's and County's subdivision regulations.

#### **RECOMMENDATION**

Based on the details provided in this Staff Report and the present status of the documents subject to the request, the Planning Department recommends approval of the Plat.

## **Planning & Zoning Department**

### **Plat Staff Report**

#### Case: SUB-40-2023

#### MEETING DATE(S)

Planning & Zoning Commission:

July 25, 2023

City Council:

August 7, 2023

#### <u>CAPTION</u>

**Consider** recommendation of a request by Steve Wilson, Pro Built Texas, for a Replat of Block 14, Parts of Lots 5 and 6 of the Old Town Waxahachie Addition, to create Lot 5B-R, Old Town Waxahachie Addition, 1 Non-residential Lot, being 0.124 acres, located at the northwest corner of East Jefferson Street and South Jackson Street (Property ID 170438) – Owner: RICHARD SHINPAUGH (SUB-40-2023)

(10)

#### **RECOMMENDED MOTION**

"I move to recommend approval SUB-40-2023 for a Replat of Block 14, Lot 5B-R of the Old Town Waxahachie Addition and the associated variance request, subject, authorizing the Planning & Zoning Commissioner to sign the associated documents accordingly."

#### **APPLICANT REQUEST**

The applicant is requesting to replat the subject property into one (1) lot for non-residential use. Also, the applicant is requesting a plat variance from Appendix C – III. Subdivision Design Standards – Section 3.3.a – Easements.

CASE INFORMATION Applicant:	Steve Wilson, Pro Built Texas
Property Owner(s):	Richard Shinpaugh
Site Acreage:	0.124 acres
Number of Lots:	1 lot
Number of Dwelling Units:	0 units
Park Land Dedication:	N/A
Adequate Public Facilities:	Adequate public facilities are available to the subject property.
SUBJECT PROPERTY General Location:	Northwest corner of East Jefferson Street and South Jackson Street
Parcel ID Number(s):	170438
Current Zoning:	Central Area (CA)

## (10)

Existing Use:

Vacant lot

Platting History:

The subject property was previously platted as Lots 5B, 5C, 6B, and 6C, Block 14 of Old Town Waxahachie Addition.

Site Aerial:

#### **PLANNING ANALYSIS**

The applicant proposes to replat the subject property into one (1) lot for primarily office use. The applicant proposes to dedicate a fifteen-foot (15') by four-foot (4') utility easement located on the northeastern corner of the subject property.

The applicant seeks a variance (Petition for Hardship Waiver) from Appendix C – III. Subdivision Design Standards – Section 3.3.a – Easements. The typical utility easement requirement along the public right-of-way (ROW) is 15'. If the applicant adheres to this requirement, the proposed building will not match the existing characteristics of the Central Area (CA) zoning district. Staff is supportive of the variance request of the proposed utility easement because the applicant has reached out to Atmos and Oncor to obtain no-objection letters.

#### RECOMMENDATION

Based on the details provided in this Staff Report and the present status of the documents subject to the request, the Planning Department recommends approval of the replat.

#### **ATTACHED EXHIBITS**

- 1. Replat (Exhibit A)
- 2. Preliminary Site Plan (Exhibit B)
- 3. No Objection Letters (Exhibit C)

#### **APPLICANT REQUIREMENTS**

- 1. If approved by City Council, within 30 days the applicant shall provide the Planning Department one revised electronic plan set that incorporates all comments.
- 2. Once the revised plans are provided, staff will verify all outstanding comments were satisfied.
  - a. If comments were not satisfied, then applicant will be notified to make corrections.
    - b. If all comments satisfied, applicant shall provide five signed, hard-copy plats.

## (10)

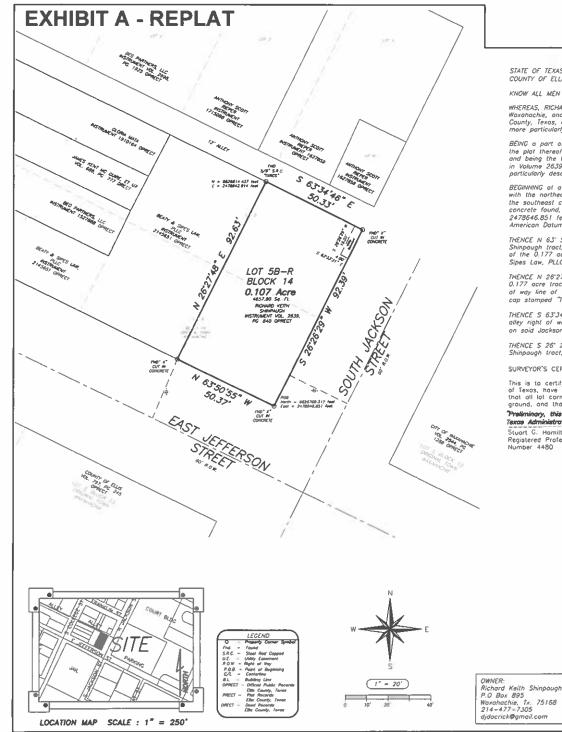

#### **CITY REQUIREMENTS FOR PLAT RECORDING AND FILING**

A plat shall not be filed with the Ellis County Clerk until:

- 1. The applicant has received a letter of acceptance from the Public Works Department confirming all utilities, infrastructure, and other required improvements have been installed, inspected, and accepted by the City.
- 2. The applicant has submitted original copies of the tax certificate(s).
- 3. The applicant has paid the plat filing fees.

March 17, 2023

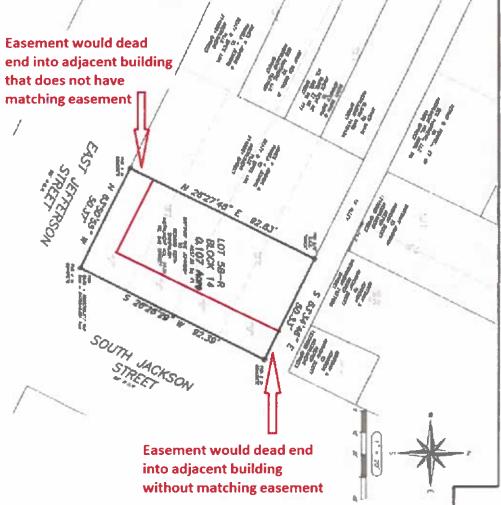

Re:

Replat of Lot 5B-R, Block 14 City of Waxahachie, Ellis County, Texas

Atmos Energy has no objection for the reduction of the 15' utility easement along S Jackson and E Jefferson, as noted on the attached exhibit. Atmos Energy Corporation has active facilities within the ROW of E Jefferson. To have those facilities located please call 811.

If I can be of further assistance, please contact me at 214-202-5761.

Sincerely, T.J. Hunter Sr. Project Specialist

Waxahachie ordinance requires all lots being replatted are required to place a 15' easement along any road along the property. There hasn't been an office buildings built in downtown in numerous decades, and these lots were not concidered in the ordinance. We are having to request a variance from this ordinance so we don't have easements that dead end into other buildings which DO NOT have matching easements, rendering them useless. NONE of the buildings in downtown Waxahachie have these 15' easements.

Please see the below request and advise.

I need a "will service" and "no objection" letter. The no objection is because we are not doing a 15' easement along Jefferson and Jackson Streets, because NO other surrounding buildings have matching easements, so the easements would dead end into other buildings, and of course, cut our lot to an unusable size because of the dead end easements. The replatting rules in Waxahachie state that all lots have to have 15' easements along the streets, but the downtown district was never considered in the new changes because there hasn't been new offices built in the "Downtown District", in 80 years.

Any questions, call Steve Wilson at 972-333-0713

Let me know if you have any questions.
