AGREEMENT TO SHARE PARKING

The Waxahachie Development Corporation (herein Corporation) is the owner of a tract of land adjacent to a tract of land owned by the First Baptist Church of Waxahachie (herein FBC). Both entities provide parking for those who attend events occurring on their respective properties and, at times, both entities have the need for additional parking. The purpose of this writing is to memorialize the agreement between the two entities to share respective parking facilities under the following terms and conditions:

FBC agrees, at its expense, to construct and maintain an access structure across the drainage ditch on its property to connect its property to the parking lots of Corporation. The structure will be built to current city of Waxahachie standards and the plans for the structure will be provided to Corporation for its approval prior to construction. No monetary obligation will be owed by either party to the other for the sharing of the parking facilities by the attendees of either facility.

Upon construction of the access structure, each entity will provide users of both facilities access to the parking facilities of the other. Each entity reserves the right to reasonably restrict access to their parking such as FBC limiting the use of their lots on Sunday mornings to church attenders only and Corporation requiring removal of vehicles within a reasonable time after conclusion of FBC activities.

During periods of use by FBC of Corporation's parking lots, FBC will comply with reasonable requirements of Corporation for supervision of its parking areas so that Corporation will not be required to provide such supervision.

Both parties fully intend to cooperate with the other for the mutual benefit of each other and communication between both parties is expected to be open and informal as between to two neighbors; nevertheless, if a written notice is needed between the two entities, it will sent to Waxahachie Development Corporation, attention:

and to First Baptist Church, Attention: Financial Secretary, 450 E. Hwy, 287 Bypass, Waxahachie, TX 75165, or to any other address that may be provided in writing.

After an initial ten (10) year period has expired, either party may terminate this agreement with or without cause with six months written notice to the other party.

Executed in duplicate originals this _____ day of March, 2020.
