Planning and Zoning Commission April 9, 2024 Page 2

Government Code Chapter 211 and the City's public hearing notice requirements, 99 notices were mailed to property owners within 500 feet of the as required in Section 3.27 of the City's Zoning Ordinance. At the time of the publishing of this staff report, a total of eighteen (18) letters in opposition have been received by staff, with six (6) letters being inside the 200' buffer and the remainder outside the 200' buffer. Staff confirmed with the Waxahachie Police Department that no nuisance-related calls had been made regarding the subject property and its current use in the past 12 months.

Mayor Pro Tem Chris Wright noted City Council passed a moratorium not allowing the operation of new short-term rentals and the property at 462 Wintergreen Drive has been operating in violation of that ordinance.

Chairman Keeler opened the Public Hearing at approximately 7:08 p.m.

There being no others to speak for or against ZDC-190-2023, Chairman Keeler closed the Public Hearing at approximately 7:11 p.m.

Chairman Keeler noted he is generally in favor of short-term rentals as long as they comply with the law and there haven't been any nuisance issues; however, the applicant didn't take the time to attend the meeting.

## 6. Consider recommendation of ZDC-190-2023

## Action:

Ron Ansell moved to recommend denial of ZDC-190-2023, a Specific Use Permit (SUP) for a Short-Term Rental use. Motion was seconded by Bonney Ramsey and carried unanimously (6-0).

## PLANNING ANALYSIS

The applicant proposes to replat the subject property from two (2) lots into one (1) lot for single family residential use. The subject property is currently comprised of two platted lots and is located within the Infill Overlay District. As part of the review of the plat application, staff identified multiple technical errors that conflict with the requirements of the Waxahachie Subdivision Ordinance. These corrections have been identified as conditions of approval in the staff recommendation section below.

## **PUBLIC NOTIFICATIONS**

To comply with State law contained in Local Government Code Chapter 211 and the City's public hearing notice requirements, 14 notices will be mailed to property owners within 200 feet of the request within fifteen (15) days of approval by the Planning and Zoning Commission.

## RECOMMENDATION

Based on the details provided in this Staff Report and the present status of the documents subject to the request, staff recommends approval of the Replat request, subject to the conditions listed below.

## Conditions:

- 1. Per Section 2.3.a.2 of the Waxahachie Subdivision Ordinance, a title search is required to be performed to locate all easements on the property.
- 2. Per Section 2.4.c.12 of the Waxahachie Subdivision Ordinance. All physical features of the property to be subdivided shall be shown in the construction (i.e. engineering) plans, including the location and size of all water courses, 100-year flood plain according to Federal Emergency Management Agency (FEMA) information, Corps of Engineers flowage easement requirements, ravines, bridges, culverts, existing structures, drainage area in acres or area draining into subdivisions, the outline of major wooded areas or the location of major or important individual trees, and other features pertinent to the subdivision.

- 3. Per Section 4.2.a of the Waxahachie Subdivision Ordinance, the most recent FEMA FIRM is required to be referenced. Revise to reflect the October 2023 Ellis County PMR.
- 4. Per Section 5.6.d and 5.7.a.8 of the Waxahachie Subdivision Ordinance, add a note that retaining walls/fences shall not be installed within utility easements.

## **MEETING DATE(S)**

Planning & Zoning Commission:

April 23, 2024

## CAPTION

**Present** a request by Bryce Eckeberger, Kimley-Horn, for a **Replat** of the 289 BSL-Waxahachie addition to create five (5) lots, being 124.8669 acres, located at 573 Blue Star Drive (Property ID: 180322) – Owner: 289 BSL Waxahachie LLC (SUB-71-2024) Staff: Zack King

## **RECOMMENDED MOTION**

"I move to approve SUB-71-2024, a Replat of the 289 BSL-Waxahachie addition, subject to the conditions the staff report, authorizing the Planning & Zoning Commissioner to sign the associated documents accordingly."

## APPLICANT REQUEST

The applicant requests to replat the subject property in order to provide right-of-way (ROW) dedication for Gridiron Drive across the full width of the property. The proposed replat will create five (5) lots.

CASE INFORMATION	
Applicant:	Bryce Eckeberger, Kimley-Horn
Property Owner(s):	289 BSL Waxahachie LLC
Site Acreage:	124.8669 acres
Number of Lots:	5 lots
Number of Dwelling Units:	0 units
Park Land Dedication:	N/A
Adequate Public Facilities:	Adequate public facilities are available to the subject property.
SUBJECT PROPERTY	
General Location:	573 Blue Star Drive
Parcel ID Number(s):	124.8669
Current Zoning:	Planned Development-Mixed Use Non-Residential (PD-MUNR)
Existing Use:	A warehouse is currently under construction on the property.
Platting History:	The subject property is currently platted as Lots 1-4, Block A of the 289 BSL- Waxahachie addition.

Site Aerial:

## **PLANNING ANALYSIS**

The applicant proposes to replat the subject property in order to provide right-of-way (ROW) dedication for Gridiron Drive across the full width of the property. The original plat for the 289 BSL-Waxahachie addition only provided ROW dedication for a partial extension of Gridiron Drive. The proposed replat will result in the creation of five (5) lots.

As part of the review of the Replat application, staff identified multiple technical errors that conflict with the requirements of the Waxahachie Subdivision Ordinance. These technical errors are required to be corrected prior to the filing of the Replat. The correction of each error has been identified as a condition of approval in the staff recommendation section below.

## RECOMMENDATION

Based on the details provided in this Staff Report and the present status of the documents subject to the request, staff recommends approval of the Replat request with the motion and conditions noted below.

## Conditions:

- 1. Per Section 2.3.a.1 of the Waxahachie Subdivision Ordinance, ensure Gridiron Drive will align with the existing Boulder Lane, as shown on the 2023 Waxahachie Thoroughfare Plan. Adjust the current alignment to meet this requirement as necessary.
- 2. Per Section 2.3.a.2 of the Waxahachie Subdivision Ordinance, perform a title search to locate all easements on the property. Label the existing easement width and recording information.
- 3. Per Section 2.4.c.4 of the Waxahachie Subdivision Ordinance, the recording information for existing easements is required to be identified in the easement label on this plat. If an easement is to be dedicated by this plat, it is required to be labeled as such.
- 4. Per Section 2.4.c.12 of the Waxahachie Subdivision Ordinance, floodplain information must be reported correctly on the plat. The FEMA panel information currently referenced is out of date. Please update per the October 2023 PMR.
- 5. Per Section 2.4.c.18 of the Waxahachie Subdivision Ordinance, the length and bearing of all straight lines, radii, arc lengths, tangent length and central angles of all curves shall be indicated along the lines of each lot. Add the length and bearing of the internal lot line between lots 2R & 3R.

- 6. Per Section 2.4.c.18 of the Waxahachie Subdivision Ordinance, clarification needs to be provided as to which curve number (C5 or C6) represents the center line radius of Gridiron Drive. Note that the radius cannot exceed 250', per the Thoroughfare design manual.
- 7. Per Section 2.4.c.23 of the Waxahachie Subdivision Ordinance, a correct title block is required to be provided. The case number for this plat is missing and must be added to the title block. The case number for this plat is "SUB-71-2024".
- 8. Per Section 3.9 of the Waxahachie Subdivision Ordinance, water and sewer services are required for each lot prior to filing the plat
- 9. Per Section 5.6.d and 5.7.a.8 of the Waxahachie Subdivision Ordinance, fences, retaining walls, and screening walls shall not be placed in utility easements. Add this to the notes.
- 10. Per Section 7.2.h of the Waxahachie Subdivision Ordinance, Filing Fees (\$108.00) are required to be paid with the Replat application prior to plat filing.

## ATTACHED EXHIBITS

1. Replat

## **APPLICANT REQUIREMENTS**

- 1. If approved by the Planning & Zoning Commission, within 30 days the applicant shall provide the Planning Department one revised electronic plan set that incorporates all comments.
- 2. Once the revised plans are provided, staff will verify all outstanding comments were satisfied.
  - a. If comments were not satisfied, then the applicant will be notified to make corrections.
  - b. If all comments were satisfied, then the applicant shall provide five signed, hard-copy plats.

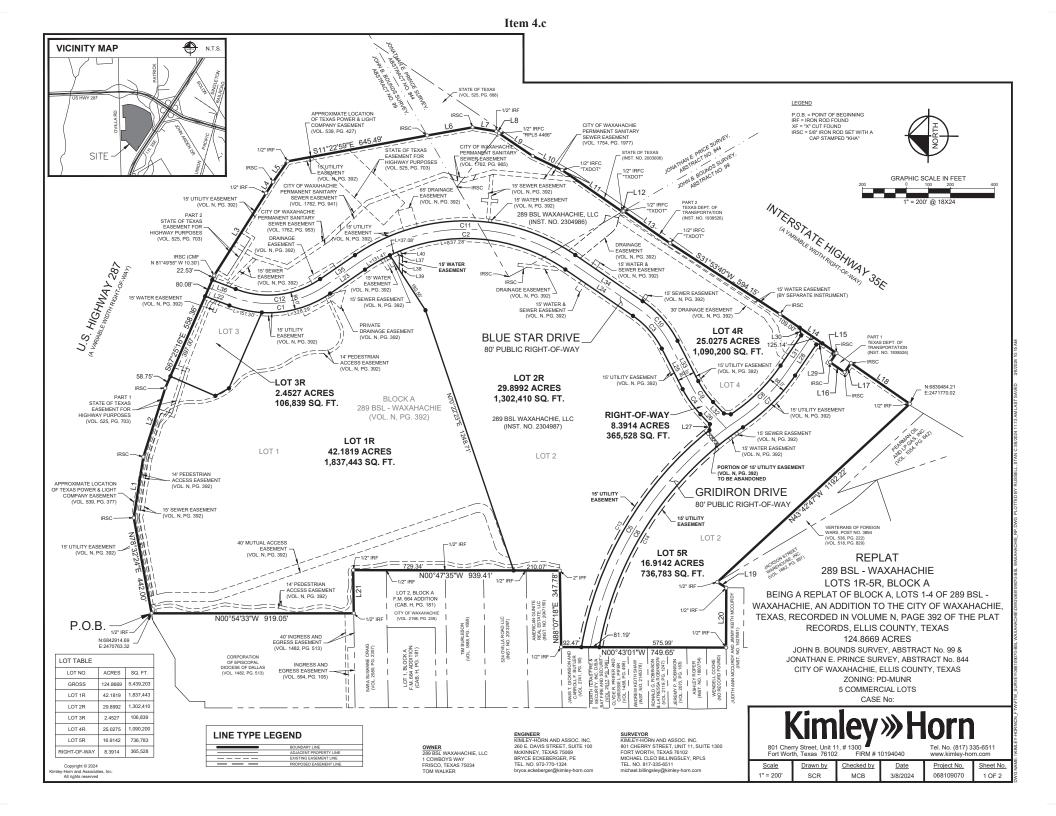

## **CITY REQUIREMENTS FOR PLAT RECORDING AND FILING**

A plat shall not be filed with the Ellis County Clerk until:

- 1. All utilities, infrastructure, and other required improvements have been installed and a letter of acceptance associated with the utilities and infrastructure installation has been received from the Public Works Department;
- 2. A drainage study has been conducted and/or a traffic impact analysis has been conducted as required by the City's Subdivision ordinance.

From: Jennifer Pruitt, Senior Director of Planning

Thru: Michael Scott, City Manager

Date: April 23, 2024

Re: ZDC-128-2022 - Planned Development (PD) for Hightower Club

On April 7, 2024, the Applicant requested continue case no. ZDC-128-2022 from the April 23, 2024, Planning and Zoning Commission meeting and the May 6, 2024, City Council meeting to the May 14, 2024, Planning and Zoning Commission meeting and the May 20, 2024, City Council meeting. The Applicant noted the purpose of the continuance was to allow for additional time to revise the concept plan and address neighborhood concerns before formal action is taken on the request.

## **MEETING DATE(S)**

*Planning & Zoning Commission: City Council:* 

April 23, 2024 May 6, 2024

## CAPTION

**Public Hearing** on a request by Greg Nehib, 57 Bluetruck LLC, for a **Zoning Change** from a Single Family-1 (SF-1) zoning district to Planned Development-Commercial (PD-C) zoning district, located at 409 W Jefferson Street, (Property ID 171061) - Owner: 57 Bluetruck LLC (ZDC-32-2024)

## **RECOMMENDED MOTION**

"I move to recommend approval of ZDC-32-2024, a Zoning Change request from a Single-Family-1 zoning district to a Planned Development-Commercial zoning district, subject to the conditions the staff report."

## **APPLICANT REQUEST**

The applicant requests to rezone the subject property from a Single Family-1 district to a Planned Development-Commercial zoning district to allow for a Retail Bakery use.

Downtown

Future Land Use Plan:

*Comprehensive Plan:* 

It is most appropriate to think of the Downtown placetype as a modification of the mixed-use neighborhood placetype. Waxahachie benefits from an attractive historic core and this placetype serves to preserve and allow for incremental improvement of that area. The core of Downtown is ripe for quality vertical mixed-use development. New single-family homes are generally discouraged here as denser housing types are desired in downtown to provide more patrons to support the abundance of local businesses downtown. Attached and stacked housing is appropriate, since the downtown core is predominantly developed, denser housing will most likely occur on the fringes or edges of downtown. Active rooftops, sidewalk cafes, and parklets are an opportunity to further activate the downtown core.

Thoroughfare Plan:

The subject property is accessible via W Jefferson Street.

Site Image:

## **PLANNING ANALYSIS**

The applicant proposes to rezone the subject property from a Single Family-1 district to a Planned Development-Commercial zoning district to allow for a Retail Bakery use.

<u>Proposed Use:</u> The proposed Retail Bakery is intended to be occupied by Katie Cakes Desserts. In order to accommodate this use, the applicant has proposed a number of improvements to the site and the existing building. The applicant has provided a Floor Plan, attached as Exhibit D below, to document the proposed interior changes to the building. Notably, a remodel to the building to install a commercial kitchen is required to accommodate the bakery. The applicant has provided correspondence with Waste Connections verifying that polycarts can be used to provide trash service for the proposed retail bakery. Additionally, the applicant is proposing paving and sidewalk improvements to facilitate access to the bakery. These site improvements are detailed further below.

<u>Proposed Use (continued)</u>: The applicant has proposed development standards to accompany the zoning change request that restrict the future use of the subject property to those more suitable to the Downtown placetype. As part of the Planned Development, the applicant has proposed prohibited Commercial uses including:

- Animal Hospital
- Auto Repair (Minor)
- Auto Sales (New)
- Cabinet or Upholstery Shop
- Farm, Ranch, Garden or Orchard
- Feed and Grain Store
- Golf Course
- Laundromat
- Light Manufacturing
- Motel or Hotel
- Portable Storage Structure
- Swimming Pool
- Tire Installation or Repair
- Tool and Equipment Rental
- Storage Warehouse

Each of these uses are allowed by right in the Commercial zoning district; but are not ideal for the Downtown placetype or adjacent to single family residences. It is important to note that these uses are allowed by right on the commercially zoned property to East and South of the subject property. By restricting these uses as part of the Planned Development request, the subject property can serve as a transition from more intense commercial uses along S Monroe Street and the existing single-family residences along W Jefferson Street.

<u>Access & Parking</u>: The subject property will continue to be accessed via an existing driveway along W Jefferson Street. The applicant proposes to replace the existing driveway and rear yard of the subject property with a concrete drive aisle and five (5) parking spaces. Five (5) parking spaces is sufficient to support the parking requirement for the retail bakery use. A driveway connection to the adjacent Ellis County Women's Building is not proposed. An ADA accessible sidewalk is proposed along the east side of the building to provide pedestrian access from the parking lot to the entrance of the building.

*Landscaping:* The applicant has committed to preserving the existing landscaping along the front and sides of the subject property. This preservation includes two mature trees and a crape myrtle.

<u>Screening</u>: The applicant proposes to install a new 6' cedar fence along the West side of the property to screen the adjacent single-family residence from the new parking lot. The fence is proposed to extend up to the mature canopy tree on the west side of the property.

<u>Elevation/Façade Plan:</u> The proposes to make minor changes to the east façade of the building to accommodate the proposed retail bakery. Specifically, the applicant proposes to remove two existing windows and add a door on the east side of the building to provide an additional access point for customers. The subject property is situated within the West End Historic District. Due to this, the City's Historic Preservation Manager has noted that the façade changes are required to be approved by the Heritage Preservation Commission (HPC), prior to construction. If approved, the owner will be required to submit a Certificate of Appropriateness to the Historic Preservation Officer for approval prior to construction of the proposed façade changes.

<u>Signage:</u> The applicant is not proposing to install signage on the existing building. However, the applicant has proposed to install a new single tenant monument sign on the subject property. The design of the monument sign has not been finalized; but will be required to adhere to the setback (min. 15') and size (max. 80 sq.ft.) requirements of the Waxahachie Zoning Ordinance.

### PUBLIC NOTIFICATIONS

To comply with State law contained in Local Government Code Chapter 211 and the City's public hearing notice requirements, 23 notices were mailed to property owners within 200 feet of the request. In addition, a notice was published in the Waxahachie Sun and a sign was visibly posted at the property.

## PUBLIC NOTIFICATION RESPONSES

Staff has received thirteen (13) letters of support and three (3) letters of opposition for the proposed zoning change. One of the letters of opposition was provided in the form of a petition to oppose the zoning change request. This petition included eighty-one (81) individual signatures representing sixty-one (61) properties.

## RECOMMENDATION

Based on the details provided in this Staff Report and the present status of the documents subject to the request, staff recommends approval of the Zoning Change request, subject to the conditions noted below.

## Conditions:

- 1. A mutually agreed upon Development Agreement shall be required for the development.
- 2. The owner shall preserve the existing canopy and understory trees along front and sides of the subject property in perpetuity.
- 3. The proposed monument sign shall adhere to the requirements of Section 5.08 of the Waxahachie Zoning Ordinance.
- 4. The owner shall submit a Certificate of Appropriateness to the Historic Preservation Officer for approval prior to construction of the proposed façade changes.
- 5. The Developer and Owner for the subject property shall be responsible for obtaining building permits per the City's applicable rules and regulations governing such permits.

## ATTACHED EXHIBITS

- 1. Public Notification Response Letters
- 2. Operational Plan
- 3. Exhibit A Location Map
- 4. Exhibit B Restricted Uses
- 5. Exhibit C Operational Plan
- 6. Exhibit D Site Plan
- 7. Exhibit E Floor Plan
- 8. Exhibit F Elevation/Façade Plan (East Elevation)

## **APPLICANT REQUIREMENTS**

- 1. If approved by City Council, within 30 days the applicant shall provide the Planning Department one revised electronic plan set that incorporates any additional requirements by City Council.
- 2. Once the revised plans are provided, staff will verify all outstanding requirements were satisfied.
  - a. If requirements were not satisfied, then the applicant will be notified to make corrections.
  - b. If all requirements were satisfied, staff will proceed to execute the PD Ordinance and Development Agreement.

A new commercial business at 409 W. Jefferson will exacerbate a traffic situation near the intersection of Monroe and the 400 block of W. Jefferson and involves a structure that does not meet city code requirements for commercial establishments. See the level of the second s

It is a crime to knowingly submit a false zoning reply form. (Texas Penal Code 37.10)

#### Illegal Parking at the eastbound W. Jefferson – Monroe Intersection

Without specific actions being taken by the city to address illegal parking at the intersection, allowing a new commercial business to open to the public at 409 W. Jefferson will exacerbate already congested and dangerous traffic at the intersection of eastbound W. Jefferson and Monroe that often occurs during peak business hours of the Two Amigos restaurant located at 241 N. Monroe St. or when events are being held at the Woman's Building at 407 W. Jefferson. Parked vehicles on both sides of W. Jefferson often do not adhere to Texas Transportation Code Sec. 545.302 requiring no parking within 30 feet on an approach to a stop sign or 20 feet from a crosswalk at an intersection. (See pictures on page 2 for examples of non-compliance to the state code. Note – just restaurant parking that day – no Woman's Building event to add to the volume of parked vehicles.)

In these cases, vehicles may be found parked on <u>both</u> sides of the street in the 400 block of W. Jefferson extending from near the stop sign on W. Jefferson to as far away as the 409 W. Jefferson property. The result is that from the stop sign at the corner of Monroe and the 400 block of W. Jefferson until the line of parked vehicles abates, W. Jefferson is essentially a one-lane street.

When this occurs, at least one of three undesirable situations often arises as a result of vehicles parking too near the intersection:

- 1. A vehicle going east on W. Jefferson coming up to the stop sign may not be able to clearly see traffic coming south on Monroe. The driver may have to "inch out" into the right-hand lane of Monroe to see if it is clear to proceed to turn onto or to cross over Monroe. This in itself presents a collision potential with an oncoming vehicle coming south on Monroe.
- 2. A vehicle going south on Monroe that wishes to turn right onto W. Jefferson may not be able to see a vehicle waiting at the stop sign on W. Jefferson until already into its turn. It is then presented with a vehicle that can be blocking the entrance to W. Jefferson and, as a result, must stop its turn as there is no where to go. If there are other vehicles behind it a rear-end collision is a distinct possibility because of the turning vehicle having to unexpectantly stop its turn.
- 3. A vehicle turning onto W. Jefferson from Monroe is able to complete its turn only to have to then stop because another vehicle is coming towards it on W. Jefferson from the west, but neither vehicle may have enough room to maneuver to pass each other because vehicles are parked on both sides of the road, some too far away from the curb. The result is that the vehicle already on W. Jefferson must back up to the point where the line of parked vehicles stops, in order to get to the side of the street so the oncoming vehicle having turned from Monroe can continue going west on W. Jefferson.

It is true that the above scenarios are not ever-present, but do occur often enough to be a hazard during peak business hours of the restaurant and/or when a large event is being held at the Woman's Building.

# A commercial business with client traffic operating at 409 W. Jefferson will only exacerbate the situation as it will generate more traffic and additional parking needs, ultimately and negatively affecting the safety of the Monroe – W. Jefferson intersection.

The situation has needed a resolution for quite some time. The intersection is unduly dangerous. Several accidents have already occurred there since Monroe was made a two-lane, one-way road and parking along the length of Monroe removed or otherwise restricted. If the city is going to allow new businesses with client traffic in the 400 block of W. Jefferson it must, at a minimum, clearly mark and enforce the areas where parking is not allowed by state code. This should be done prior to approving any zoning change to allow more commercial businesses in this block of W. Jefferson.

Car parked well within 30' of stop sign at W. Jefferson - Monroe intersection

Car parked well within 20' of the crosswalk at the W. Jefferson - Monroe intersection

Cars parked at length on both sides of W. Jefferson from too near the W. Jefferson - Monroe intersection. This sometimes does not leave enough clear street width for a vehicle turning right onto W. Jefferson from Monroe to complete its turn. This situation occurs as a result of vehicles parked too near the intersection and W. Jefferson traffic driving near the center of the street to get ample clearance from vehicles parked on both sides as they approach the stop sign.

#### The 409 W. Jefferson structure Does Not Qualify to be a Commercial Establishment

The structure at 409 W. Jefferson is currently and has always been a residence since it was built in 1924. It was not built to meet the needs and requirements of a commercial establishment with client traffic on site. Access to and placement of the structure in 1924 was designed on residential codes that may have been in force at the time. Now, it's zoning is being requested to be changed to commercial. If approval is to be considered, it must first be determined if it meets commercial establishment code zoning requirements.

City of Waxahachie zoning requirements for commercial establishments require among other things that the minimum side yard should be 25' when adjacent to a residential property. The property located immediately to the west (right) of 409 W. Jefferson is 413 W. Jefferson, which is a residence. It is clear looking at the property in question that the side yard is far less than 25' (see picture on page 4). It also has a narrow one-way driveway, as do most residences of this size. We are told there will be a concrete parking area in the back of the structure and with no other exit, the driveway will have to serve both incoming and exiting vehicles, i.e., it will have to function as a two-way driveway. According to the Waxahachie Thoroughfare Standards, a commercial two-way driveway must be a minimum of 24' in width. The driveway appears to be less than half of that width. With the driveway being up against the property line on the west and little to no room between the driveway and the existing structure, a 24' wide driveway is not possible.

Other concerns of nearby neighbors are how will trash and trash pickups be handled especially in light of customer vehicles or deliveries parked in front of the structure and how obtrusive to the neighborhood a business sign may be whether in the yard or on the structure itself. The front yard, by the way, seems to be borderline as to its meeting the minimum code requirement of 25'.

The ultimate factor in considering this request is that the structure was built to be part of a residential neighborhood and while commercial use has replaced many previous long-time residences in Waxahachie, the layout of this existing structure does not meet the minimum requirements required by city code for a commercial establishment.

There are plenty of commercial properties where structures are built and they have to meet code. But in this case the structure already exists. We should not ignore a code that is meant to provide some distancing for nearby property owners to provide some abatement from having to deal with increased traffic and noise around their property, possible inconvenience in their ability to have visitors come to their house or affect their property value with potential buyers. We already have a couple of long-time business locations in or near the 400 block of W. Jefferson. We should at least require any new ones to meet the minimum codes required for such an establishment. We have codes in place to provide a level of protection for residents. They must be followed consistently. We are being asked to accept a business to be allowed to fit in a relatively narrow lot that is in a residential neighborhood and doesn't even have to meet the codes the city has set for such establishments. The request should not be approved.

The structure at 409 W. Jefferson does not meet the requirements for a commercial establishment as it does not have a minimum side yard of 25' which is required when adjacent to a residence, in this case 413 W. Jefferson, on the right. The driveway also does not meet the standards for a two-way driveway (minimum width of 24') for a commercial establishment.

Re: Case ZDC-32-2024

Please find attached a petition (Pages 1-9) with Waxahachie resident signatures who oppose the proposed zoning change request of 409 W. Jefferson from Single Family to Commercial.

Since I was only asked to work on this petition on Friday, April 12<sup>th</sup> and the deadline to submit was April 17<sup>th</sup>, I was limited in the number of signatures I was able to obtain. This petition does, however, represent a wide range of residents throughout the City who are opposed to this zoning request.

Attending P&Z meetings is a hardship for many residents. People who would like to attend these meetings, simply cannot. This petition represents their opposition to this zoning change in lieu of attending the P&Z Commission and City Council meetings on April 23<sup>rd</sup> and May 6<sup>th</sup>.

I have also blocked out the phone numbers of the residents due to privacy concerns. I (and many residents) did not feel comfortable having personal phone numbers made public.

Please let me know if anything further is needed. Thank you for your thoughtful consideration of this proposed zoning change and the impact it will have for our City and its residents.

Regards,

#### Petition Against the Proposed Zoning Change of 409 W. Jefferson Street from Single Family to Commercial Case: ZDC-32-2024

We, the undersigned residents of the City of Waxahachie, oppose the proposed zoning change of 409 W. Jefferson Street as defined on the City Planning Department website and being presented in a public meeting by the City of Waxahachie Planning Department on April 23 and City Council on May 6, 2024.

The primary reasons for our opposition are that this Proposed Zoning Change would:

- 1) Violate Section 1.02 Purpose of the City of Waxahachie City Zoning Ordinance approved May 21, 2018 which states that the 7 purposes for having zoning in Waxahachie are to:
  - a. Promote health, safety, morals and general welfare, convenience and protecting and preserving places and areas of historical, cultural, or architectural importance and significance in the City;
  - b. Lessen the congestion in the streets;
  - c. Secure safety from fire, panic and other dangers;
  - d. Provide adequate light and air;
  - e. Prevent overcrowding of land;
  - f. Avoid undue concentration of population and;
  - g. Facilitate the adequate provision of transportation, water, sewers, schools, parks and other public requirements;
- 2) Have a negative impact to underrepresented groups (people of color and the elderly) who live in the affected area;
- Destroy the natural environment the mature trees and landscape and replace these with a concrete parking lot. In addition to the negative environmental impacts which will cause increased air and noise pollution, soil erosion and flooding will impact nearby property owners;
- 4) Have irreversible and devastating consequences to the West End Historic District of which 409 W. Jefferson Street is a contributing resource. Improper zoning changes and inappropriate modifications to resources within a historic district permanently destroy the character and sense of place of a historic area;
- 5) Hurt our City and lead to a "chipping away" (i.e. "domino") effect for the West End Historic District. These types of "one-off" zoning requests will lead to West Jefferson Street becoming like Ferris Avenue.
- 6) Cause safety concerns for all citizens and visitors to the area. There will be an increase in traffic and congestion to an already unsafe, congested and highly travelled intersection.

We respectfully request that this proposed zoning change be DENIED by both Planning & Zoning and City Council. These types of significant zoning changes to the surrounding downtown area should be thoughtfully and carefully considered so that they are in the best interest of the future of our City and in the best interest of all citizens of Waxahachie. Don't let West Jefferson become Ferris Avenue.

#### **Operational Plan - Katie Cakes Desserts**

The historic building at 409 W Jefferson St. was built circa 1903 as a duplex and remodeled to its current craftsman style in 1930. While the building is currently zoned residential, the building does have a history of commercial use. The building owner is requesting rezoning to Commercial through the Planned Development process. Katie Cakes will be using the entire building for their business, although you can see that only a few rooms are modified in this remodel. This is <u>not</u> an application for Mixed Use.

Katie Cakes Desserts would like to embrace the historic character of this building while offering a dessert experience like no other for the residents and visitors of Waxahachie, near our beautiful downtown square. The goal of the Katie Cakes Desserts bakery would be to provide the community with world class cheesecake and other delicious desserts for any type of event. We will offer desserts to-go from a point-of-sale counter and we will offer top notch dessert catering solutions. Our products will be baked on site in a commercial kitchen that has been professionally designed and will be built to meet our specific needs. This will be a new and unique business for the City of Waxahachie.

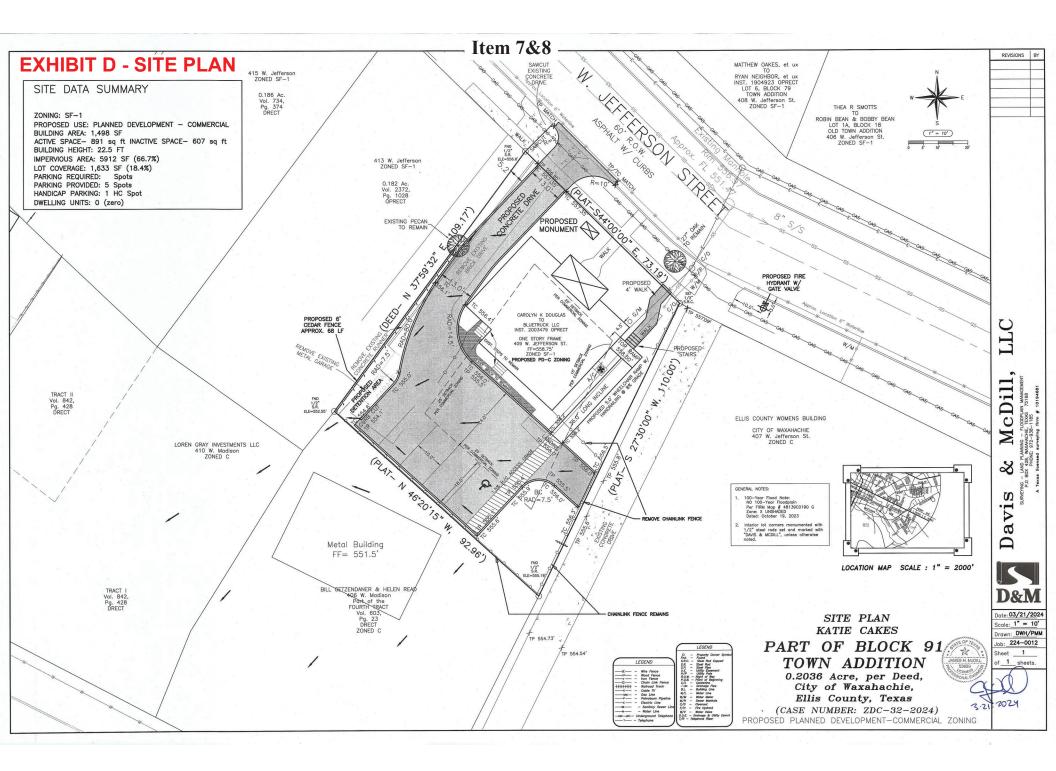

Store Hours: 10:00am to 8:00pm, Tuesday thru Sunday

#### Number of employees: 2

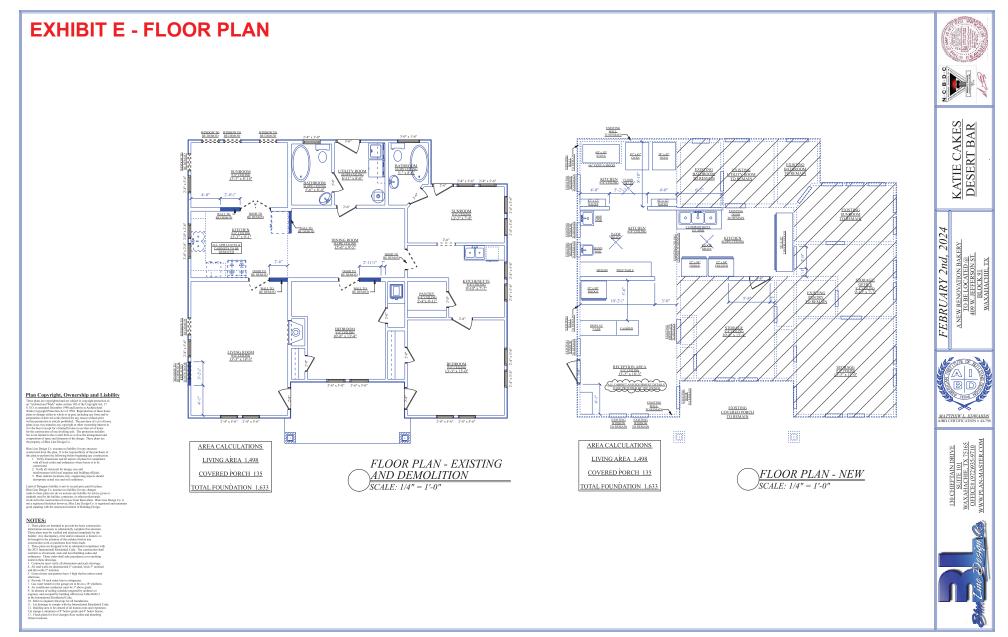

**Compatibility with adjoining uses:** Katie Cakes Desserts will compliment the surrounding area extremely well, being able to provide a sweet addition to the downtown district and to places like the Ellis County Woman's Building next door. We will provide letters of support from owners within the 200ft zone. We will also pursue the opportunity to collaborate with all of our favorite downtown hot spots such as Railport Brewery, Cork and Keg and many others. Our business will not impact the natural resources of the area including the surrounding houses, businesses and municipal buildings. The historic front façade of this building will not be altered under the design that we have submitted. Parking and trash bins will be located behind the bakery. Waste Management has confirmed that rolling bins are an option at this address and will determine the proper size and location of the trash bins once the zoning is changed. There will not be any objectionable fumes, noise, odor, dust. glare, vibration or heat associated with our bakery. All safety precautions and equipment will be managed to the highest standard. The customer areas of the bakery will be ADA accessible.

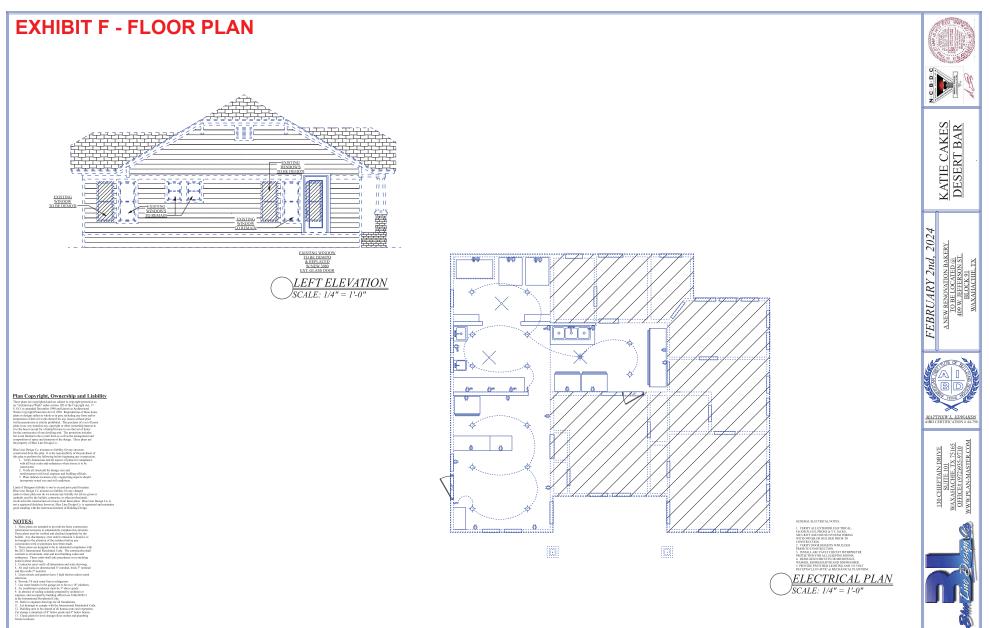

**Vision:** Our business vision portrays an aesthetically pleasing bakery experience with a vintage Italian bakery theme, providing arguably the best cheesecakes/desserts anywhere in the world for customers to either pick up to go or share with a large group in an off-site catering function. We'll also be providing exclusive dessert for distribution to Waxahachie's other dining locations and in conjunction with the wonderful events that happen here frequently. Ingredients will be sourced locally to the best extent possible in order to provide another avenue of support for the community's local producers and farmers.

This bakery will be an awesome addition to Waxahachie's already tremendous downtown area. We will keep the historic charm of the area in full effect while catching the eye of anyone with a sweet tooth along with those looking to share the desserts with those they care about.

#### **CAPTION**

**Public Hearing** on a request by Brad Yates, Loren Gray Investments LLC, for a **Specific Use Permit (SUP)** for an **Accessory Structure +700sf** use within a Single Family-2 (SF-2) zoning district located at 110 Farley Street (Property ID 175879) - Owner: Loren Gray Investments LLC (ZDC-4-2024)

#### **RECOMMENDED MOTION**

"I move to recommend approval of ZDC-4-2024, a Specific Use Permit (SUP) for an Accessory Structure greater than 700 square feet, subject to the conditions the staff report, authorizing the City Manager and or Mayor to execute all documents accordingly."

#### **APPLICANT REQUEST**

The Applicant is requesting the approval of a Specific Use Permit for an Accessory Structure (garage) over 700 square feet at 110 Farley Street.

Mixed-Use Neighborhood

Future Land Use Plan:

Comprehensive Plan:

A mixed-use neighborhood hearkens back to the pre-suburban development pattern with smaller lots, smaller setbacks, shorter blocks, diverse housing typologies and very importantly, a mix of uses. This mixing of activities and uses allows the area to adapt and change over time to suit the needs of its inhabitants. Though it is not imperative for uses to always be mixed within the same building, it is important to note that large monolithic developments with near-exclusive uses, such as large multiplex apartments or retail centers with the large land areas devoted to automobile parking, do not suit mixed-use neighborhoods. Mixed-use neighborhoods are places where residents can live, work and play and are primarily accessible by foot. Given the various housing typologies encouraged in this placetype, it is essential to make sure residential uses appropriately transition from one another based on the housing typology.

Thoroughfare Plan:

The subject property is accessible via a driveway on Rousseau Street.

#### **PLANNING ANALYSIS**

The applicant is requesting a Specific Use Permit (SUP) to construct an accessory garage structure greater than 700 square feet at 110 Farley Street. The property currently has an existing accessory structure used for storage that will be demolished during the construction of the proposed garage. Per the City of Waxahachie Zoning Ordinance, an accessory structure greater than 700 square feet requires a SUP to be approved by the City Council.

#### Proposed Use:

According to the Ellis County Appraisal District, the single-family dwelling is approximately 1,568 square feet, and the proposed accessory structure has an area of approximately 1,261 square feet. The accessory structure features an exterior façade and roof that is designed to be complimentary to the existing home on the subject property. Both structures will feature siding as the primary exterior construction material. The elevation/façade plan attached to this report can be referenced for additional detail.

#### Proposed Use (continued):

The owner plans to utilize the accessory structure as a garage for the existing home on the subject property. The existing home does not have a garage or an improved driveway to support parking on the site. The owner has noted that he will use the garage as storage and a workshop for his private vehicles. The structure will be situated at the rear of the property and will be accessible via Rousseau Street. The location of the proposed structure meets the typical setback requirements of the Waxahachie Zoning Ordinance. It is also important to note that there are several existing accessory garage structures of comparable size located within a block of the subject property. Water and sewer services are not proposed for the accessory structure.

The applicant has confirmed to staff that the structure will not be used as a dwelling or short-term rental and will not be metered, sold, or leased separately from the existing primary structure.

#### **PUBLIC NOTIFICATIONS**

To comply with State law contained in Local Government Code Chapter 211 and the City's public hearing notice requirements, 22 notices were mailed to property owners within 200 feet of the request. In addition, a notice was published in the Waxahachie Sun, and a sign was visibly posted at the property. Staff has received one (1) letter of support for the proposed accessory structure.

#### PUBLIC NOTIFICATION RESPONSES

Staff has received three (3) letters of support for the proposed accessory structure.

#### RECOMMENDATION

Based on the details provided in this Staff Report and the present status of the documents associated with the request, the Planning Department recommends approval of the SUP request with the conditions listed below.

#### Conditions:

- 1. The accessory structure shall not be used as an accessory dwelling or Short-Term Rental without a Specific Use Permit approved by City Council.
- 2. The accessory structure shall not be used for commercial purposes.
- 3. The accessory structure shall not be leased or sold separately from the primary residence and shall not be separately metered.
- 4. The accessory structure shall obtain all necessary permits from the City of Waxahachie Building and Community Services Department before constructing the accessory structure.

#### PLANNING ANALYSIS

During the City Council meeting held on October 16, 2023, Councilmembers approved an ordinance to allow the use of a short-term rental in all zoning districts with an approved SUP with the exception of Central Area (CA) zoning district. All residential-use properties located within the Central Area (CA) zoning district are allowed to operate a short-term rental by right without seeking the approval of a SUP.

The Applicant is requesting a SUP for a short-term rental use located at 800 Dunaway Street because it is located within the SF-3 zoning district. The subject property is approximately 0.149 acres (6,490 square feet) in size and is currently vacant. The owner of the property demolished an existing home on the subject property in early 2023. The owner has provided concept plans for a new home as part of this application. The concept plans show the subject property can accommodate a four (4) bedroom home and sufficient off-street parking for up to four (4) vehicles. The applicant has satisfied all of the requirements of Section 3.27 of the Zoning Ordinance.

During the planning analysis, staff inquired with the Waxahachie Police Department and discovered no nuisance-related calls had been made regarding the subject property and its current use in the past 12 months.

The local emergency contact provided by the applicant is Brad Yates (972) 938-3383, 626 Kaufman Street, Waxahachie, TX 75165 ycolonialgroup@yahoo.com, located 1.6 miles from the subject property.

#### **PUBLIC NOTIFICATIONS**

To comply with State law contained in Local Government Code Chapter 211 and the City's public hearing notice requirements, 64 notices were mailed to property owners within 500 feet of the as required in Section 3.27 of the City's Zoning Ordinance. In addition, a notice was published in the Waxahachie Sun, and a sign was visibly posted at the property. At the time of the publishing of this staff report, a total of one (1) letter of opposition and seven (7) letters of support were received by staff, with three (3) letters of support being inside the 200' buffer and the remainder outside of the 200' buffer.

#### RECOMMENDATION

Based on the details provided in this Staff Report and the present status of the documents associated with the request, if considering a recommendation for approval:

Conditions:

- 1. The short-term rental operator shall complete the STR registration process with the City's vendor, and pay the annual and a renewal fee set by Ordinance No. 3415, or as amended.
- 2. The short-term rental operator shall register for a Hotel Occupancy Tax account with the City's vendor.
- 3. The short-term rental operator shall allow a maximum occupancy of eight (8) guests per stay.
- 4. The short-term rental operator shall provide a maximum of four (4) off-street parking spaces.
- 5. The short-term rental operator shall adhere to all regulations stated in Section 3.27 of the City's Zoning Ordinance.
- 6. A mutually agreed upon Development Agreement shall be required for the development.
- 7. The Site Plan shall be revised to ensure no more than two driveway approaches are present.

## CAPTION

**Public Hearing** on a request by Melissa McClain, Equity Trust Company, for a **Specific Use Permit (SUP)** for a Short-Term Rental use within a Planned Development-28-General Retail (PD-28-GR) zoning district located at 515 N College Street (Property ID 171103) - Owner: Equity Trust Company Custodian (ZDC-35-2024)

## **RECOMMENDED MOTIONS**

- "I move to recommend denial of ZDC-35-2024, a Specific Use Permit (SUP) for a Short-Term Rental use."
- "I move to recommend approval with conditions of ZDC-35-2024, a Specific Use Permit (SUP) for a Short-Term Rental use, subject to the conditions the staff report, authorizing the City Manager and/or Mayor to execute all documents accordingly."

## **APPLICANT REQUEST**

The Applicant is requesting a specific use permit for a Short-Term Rental use at 515 N College Street.

CASE INFORMATION Applicant:	Melissa McClain, Equity Trust Company
Property Owner(s):	Equity Trust Company Custodian
Site Acreage:	0.25 acres
Current Zoning:	Planned Development-28-General Retail (PD-28-GR)
Requested Zoning:	PD-28-GR with a Specific Use Permit (SUP) for a Short-Term Rental
SUBJECT PROPERTY	
General Location:	515 N College Street
	515 N College Street 171103
General Location:	

Item 13&14

Adjoining Zoning & Uses:

Direction	Zoning	Current Use
North	PD-28-GR	Edward Jones Office
East	PD-28-GR	Single Family Residence
South	PD-28-GR	Single Family Residence
West	PD-28-GR	Single Family Residence

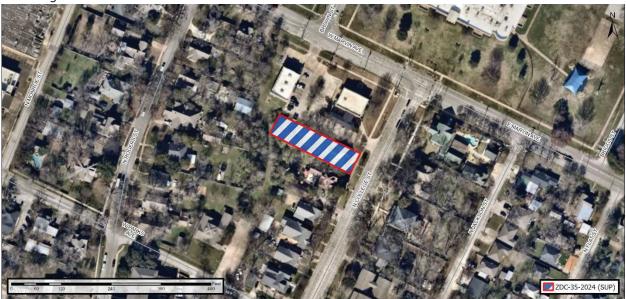

Future Land Use Plan: Mixed Use Neighborhood

Comprehensive Plan: A mixed-use neighborhood hearkens back to the pre-suburban development pattern with smaller lots, smaller setbacks, shorter blocks, diverse housing typologies and very importantly, a mix of uses. This mixing of activities and uses allows the area to adapt and change over time to suit the needs of its inhabitants. Though it is not imperative for uses to always be mixed within the same building, it is important to note that large monolithic developments with near exclusive uses such as large multiplex apartments or retail centers with large land area being devoted to automobile parking do not suit mixed-use neighborhoods. Mixed-use neighborhoods are places where residents can live, work and play and are primarily accessible by foot. Given the various housing typologies encouraged in this placetype, it is essential to make sure residential uses appropriately transition from one another based on the housing typology.

Thoroughfare Plan:

The subject property is accessible via N College Street.

#### PLANNING ANALYSIS

During the City Council meeting held on October 16, 2023, Councilmembers approved an ordinance to allow the use of a short-term rental in all zoning districts with an approved SUP with the exception of Central Area (CA) zoning district. All residential-use properties located within the Central Area (CA) zoning district are allowed to operate a short-term rental by right without seeking the approval of a SUP.

The Applicant is requesting a SUP for a short-term rental use located at 515 N College Street because it is located within the PD-28-GR zoning district. The subject property consists of a primary structure of approximately 1,365 square feet with two (2) bedrooms situated on an approximately 0.2637-acre (11,487 square feet) lot. The subject property does not currently have a driveway or curb cut on N College Street and utilizes striped on-street parking. The subject property was last used as an office building; but is currently vacant. When operational, the office tenants utilized on-street parking. The applicant has satisfied all of the requirements of Section 3.27 of the Zoning Ordinance. At the time of the publishing of this staff report, the City has received no complaints regarding any issues that are considered a nuisance.

During the planning analysis, staff inquired with the Waxahachie Police Department and discovered no nuisance-related calls had been made regarding the subject property and its current use in the past 12 months.

The local emergency contacts provided by the applicant are Melissa McClain (469) 235-0486, 232 Mckinley Circle, Waxahachie, TX 75165 <u>melissa@melissamcclainlewis.com</u>, and Chris Lewis (469) 231-4091, 232 Mckinley Circle, Waxahachie, TX 75165, chris3lewis337@yahoo.com, located 6.6 miles from the subject property.

#### **PUBLIC NOTIFICATIONS**

To comply with State law contained in Local Government Code Chapter 211 and the City's public hearing notice requirements, 56 notices were mailed to property owners within 500 feet of the as required in Section 3.27 of the City's Zoning Ordinance. In addition, a notice was published in the Waxahachie Sun, and a sign was visibly posted at the property. At the time of the publishing of this staff report, a total of two (2) letters of support and zero (0) letters of opposition were received by staff, with both letters of support being inside the 200' buffer.

#### RECOMMENDATION

Based on the details provided in this Staff Report and the present status of the documents associated with the request, if considering a recommendation for approval:

Conditions:

- 1. The short-term rental operator shall complete the STR registration process with the City's vendor, and pay the annual and a renewal fee set by Ordinance No. 3415, or as amended.

**Public Hearing** on a request by Taylor Towles, Elmwood Wonder W, for a **Specific Use Permit (SUP)** for a Short-Term Rental use within a Planned Development-Single Family-2 (PD-SF-2) zoning district located at 95 Elmwood Trail (Property ID 222754) - Owner: Elmwood Wonder W (ZDC-54-2024)

## **RECOMMENDED MOTIONS**

- "I move to recommend denial of ZDC-54-2024, a Specific Use Permit (SUP) for a Short-Term Rental use."
- "I move to recommend approval with conditions of ZDC-54-2024, a Specific Use Permit (SUP) for a Short-Term Rental use, subject to the conditions the staff report, authorizing the City Manager and/or Mayor to execute all documents accordingly."

## **APPLICANT REQUEST**

The Applicant is requesting a specific use permit for a Short-Term Rental use at 95 Elmwood Trail.

CASE INFORMATION Applicant:	Taylor Towles, Elmwood Wonder W
Property Owner(s):	Elmwood Wonder W
Site Acreage:	0.152 acres
Current Zoning:	Planned Development-Single Family-2 (PD-SF-2)
Requested Zoning:	PD-SF-2 with a Specific Use Permit (SUP) for a Short-Term Rental
SUBJECT PROPERTY	
General Location:	95 Elmwood Trail
Parcel ID Number(s):	222754
Existing Use:	A single-family home currently occupies the subject property.
Development History:	The subject property is currently platted as Lot 69, Block A of the River Oaks Phase 4 Addition.

Item 15&16

Adjoining Zoning & Uses:

Direction	Zoning	Current Use	
North	PD-SF-2	Cypress Creek Apartments	
East	PD-SF-2	Single Family Residence	
South	PD-SF-2	Single Family Residence	
West	PD-SF-2	Single Family Residence	

*Future Land Use Plan:* Mixed Use Neighborhood

Comprehensive Plan: A mixed-use neighborhood hearkens back to the pre-suburban development pattern with smaller lots, smaller setbacks, shorter blocks, diverse housing typologies and very importantly, a mix of uses. This mixing of activities and uses allows the area to adapt and change over time to suit the needs of its inhabitants. Though it is not imperative for uses to always be mixed within the same building, it is important to note that large monolithic developments with near exclusive uses such as large multiplex apartments or retail centers with large land area being devoted to automobile parking do not suit mixed-use neighborhoods. Mixed-use neighborhoods are places where residents can live, work and play and are primarily accessible by foot. Given the various housing typologies encouraged in this placetype, it is essential to make sure residential uses appropriately transition from one another based on the housing typology.

Thoroughfare Plan:

The subject property is accessible via Elmwood Trail.

#### PLANNING ANALYSIS

During the City Council meeting held on October 16, 2023, Councilmembers approved an ordinance to allow the use of a short-term rental in all zoning districts with an approved SUP with the exception of Central Area (CA) zoning district. All residential-use properties located within the Central Area (CA) zoning district are allowed to operate a short-term rental by right without seeking the approval of a SUP.

The Applicant is requesting a SUP for a short-term rental use located at 95 Elmwood Trail because it is located within the PD-SF-2 zoning district. The subject property consists of a primary structure of approximately 2,497 square feet with four (4) bedrooms and enough improved surface to accommodate for the maximum parking spaces of four (4) vehicles, situated on an approximately 0.152-acre (6,621 square feet) lot. The applicant has been operating a short-term rental since approximately March of 2022, and has not been paying local hotel occupancy taxes. The applicant has satisfied all the requirements of Section 3.27 of the Zoning Ordinance. At the time of the publishing of this staff report, the City has received no complaints regarding any issues that are considered a nuisance.

During the planning analysis, staff inquired with the Waxahachie Police Department and discovered no nuisance-related calls had been made regarding the subject property and its current use in the past 12 months.

The local emergency contact provided by the applicant is Taylor Towles (512) 809-4396, 5535 FM813, Waxahachie, TX. 75152, <u>ttowles00@gmail.com</u>, located 7.1 miles from the subject property.

#### **PUBLIC NOTIFICATIONS**

To comply with State law contained in Local Government Code Chapter 211 and the City's public hearing notice requirements, 51 notices were mailed to property owners within 500 feet of the as required in Section 3.27 of the City's Zoning Ordinance. In addition, a notice was published in the Waxahachie Sun, and a sign was visibly posted at the property. At the time of the publishing of this staff report, a total of five (5) letters of opposition were received by staff, with four (4) letters being inside the 200' buffer and the remainder outside of the 200' buffer.

#### RECOMMENDATION

Based on the details provided in this Staff Report and the present status of the documents associated with the request, if considering a recommendation for approval:

Conditions:

- 1. The short-term rental operator shall complete the STR registration process with the City's vendor, and pay the annual and a renewal fee set by Ordinance No. 3415, or as amended.
- 2. The short-term rental operator shall register for a Hotel Occupancy Tax account with the City's vendor.
- 3. The short-term rental operator shall allow a maximum occupancy of eight (8) guests per stay.
- 4. The short-term rental operator shall provide a maximum of four (4) off-street parking spaces.
- 5. The short-term rental operator shall adhere to all regulations stated in Section 3.27 of the City's Zoning Ordinance.

Future Land Use Plan: Mixed Use Neighborhood

Comprehensive Plan: A mixed-use neighborhood hearkens back to the pre-suburban development pattern with smaller lots, smaller setbacks, shorter blocks, diverse housing typologies and very importantly, a mix of uses. This mixing of activities and uses allows the area to adapt and change over time to suit the needs of its inhabitants. Though it is not imperative for uses to always be mixed within the same building, it is important to note that large monolithic developments with near exclusive uses such as large multiplex apartments or retail centers with large land area being devoted to automobile parking do not suit mixed-use neighborhoods. Mixed-use neighborhoods are places where residents can live, work and play and are primarily accessible by foot. Given the various housing typologies encouraged in this placetype, it is essential to make sure residential uses appropriately transition from one another based on the housing typology.

#### **PLANNING ANALYSIS**

During the City Council meeting held on October 16, 2023, Councilmembers approved an ordinance to allow the use of a short-term rental in all zoning districts with an approved SUP with the exception of Central Area (CA) zoning district. All residential-use properties located within the Central Area (CA) zoning district are allowed to operate a short-term rental by right without seeking the approval of a SUP.

The Applicant is requesting a SUP for a short-term rental use located at 511 W Parks Avenue because it is located within an SF-2 zoning district. The subject property consists of a primary structure of approximately 2,678 square feet with three (3) bedrooms and enough improved surface to accommodate the maximum parking spaces of three (3) vehicles situated on an approximately 0.223-acre (9,714 square feet) lot. The applicant has been operating a short-term rental since approximately June of 2022, and has not been paying local hotel occupancy taxes. The applicant has satisfied all of the requirements of Section 3.27 of the Zoning Ordinance. At the time of the publishing of this staff report, the City has received no complaints regarding any issues that are considered a nuisance.

During the planning analysis, staff inquired with the Waxahachie Police Department and discovered no nuisance-related calls had been made regarding the subject property and its current use in the past 12 months.

The local emergency contact provided by the applicant is Virginia Lipsey (469) 337-4788, 414 N Hawkins Street, Waxahachie, TX 75165 <u>virginia2421@gmail.com</u>, located 50 feet from the subject property.

#### **PUBLIC NOTIFICATIONS**

To comply with State law contained in Local Government Code Chapter 211 and the City's public hearing notice requirements, 68 notices were mailed to property owners within 500 feet of the as required in Section 3.27 of the City's Zoning Ordinance. In addition, a notice was published in the Waxahachie Sun, and a sign was visibly posted at the property. At the time of the publishing of this staff report, a total of twelve (12) letters of support and three (3) letters of opposition were received by staff, with ten (10) letters of support and one (1) letter of opposition being inside the 200' buffer and the remainder outside of the 200' buffer.

Dear Planning & Zoning Commission,

My name is Elizabeth Getzendaner Cunliffe, and I own properties at 411 West Marvin and 415 West Marvin and half of 104 Bryson Street. All properties are within the the neighborhood of 511 West Parks Avenue. I am writing to you today to voice my opposition to the Special Use Permit being filed by Dawn Lipsey, North Star Custom Homes, LLC.

I oppose this SUP for several reasons: This is a residential neighborhood, and we are already being encroached upon by the businesses on Ferris Avenue. Short term Rental use is a business and as such would not be in fitting with our neighborhood. Ferris Avenue is a mess, and I certainly don't want any more business in my immediate back yard. North Star Custom Homes is not even a Waxahachie business.... they are from Waco. Let them buy property for short term rentals in Waco.

The Methodist Church is also in the neighborhood, and they have Mother's Day Out twice a week. I hardly think a short-term rental property is appropriate so close to the church and all the children that attend the program. The last thing I would want is a short-term rental right in their back yard with strangers coming and going all the time. It isn't safe and it isn't in keeping with our residential neighborhood.

I would respectively ask that you not grant this Special Use Permit.

Sincerely, Elizabeth G. Cunliffe

## 511 W. PARKS AVE, WAXAHACHIE, TX 75165

Hello. We are Edwin and Dawn Lipsey. Waxahachie is a special place for our family for we pastored here for twenty years. We spent the majority of our young adult life here and consider it home. Both sides of our extended families live within one hour of Waxahachie to the north and to the south, and Waxahachie is the meeting point for all of them.

Eight years ago, we moved to Tennessee to pastor a church. We have bought and sold properties for many years in Waxahachie as Lipset Properties and North Star Custom Homes but have sold most of them since we moved. However, we kept one parcel located at 511 W. Parks Ave, Waxahachie, TX, that included a small home for our sister, who lives behind the main house. We rented the main house since purchasing it, but the last renter almost destroyed the home through hoarding, and due to COVID mandates, we weren't allowed to evict him.

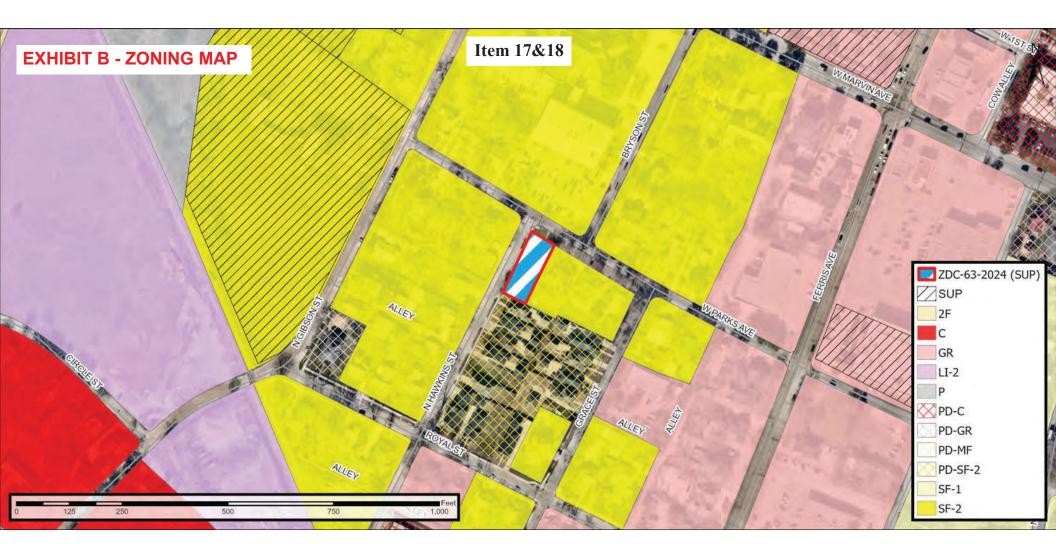

During this time, our daughter graduated college and returned to her home roots in Texas to practice law in Dallas. With all of our traveling back to Waxahachie, we realized we needed a more permanent place for us to stay while in town. When COVID mandates were lifted, we discontinued renting yearly and remodeled the home for our personal use. While we are away, we use our home as an Airbnb to help offset our taxes, utilities, and upkeep. Our neighbors have welcomed the change from a yearly rental to a short-term rental since we began in June 2022 because the house and yard are now consistently maintained nicely and there is less noise and commotion.

Since this is our personal home, we are careful with our guests and have many house rules to ensure our home is well-maintained and to respect our great neighbors around us. Our sister lives directly behind the property and watches over it, and we have cameras and a monitoring system for the outdoor areas. We are also considered "super hosts" with Airbnb, which comes from great reviews from those renting our property, along with great communication with our guests to ensure no difficulties.

We want to continue with our short-term rental to help us financially maintain a place for us when we come back home to Waxahachie. This is our special place, and we love sharing it with others when they come to our quaint town. We would appreciate your help and consideration to allow our personal home at 511 W. Parks Ave, Waxahachie to continue functioning as a short-term rental.

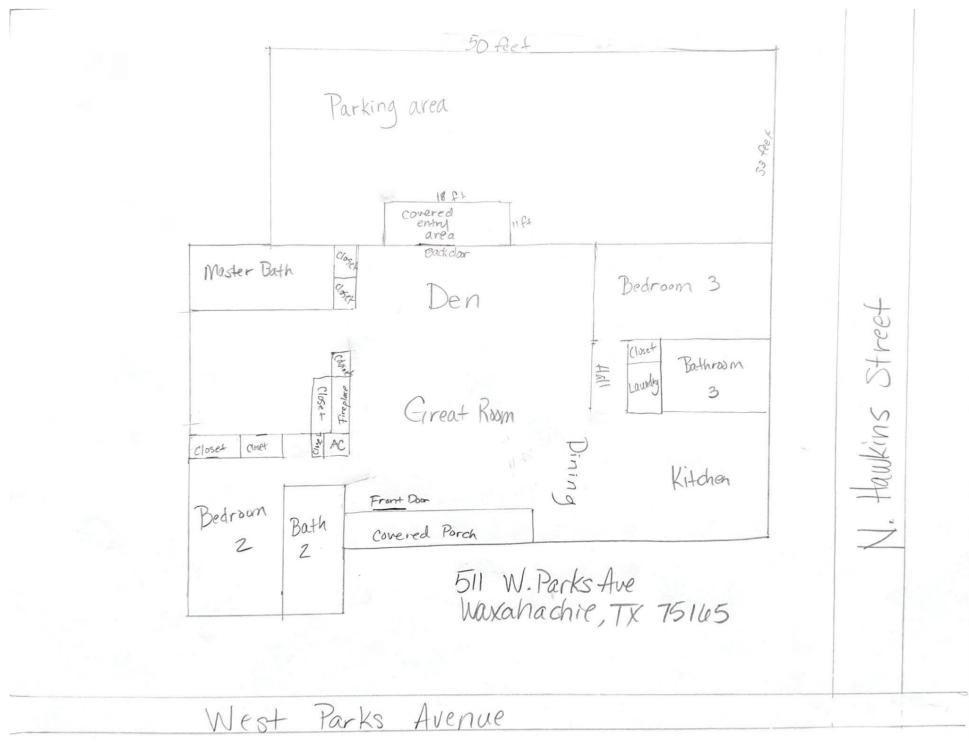

Sincerely, Edwin & Dawn Lipsey

## **Zoning Staff Report**

### Case: ZDC-58-2024

#### **MEETING DATE(S)**

*Planning & Zoning Commission: City Council:* 

April 23, 2024 May 6, 2024

#### CAPTION

**Public Hearing** on a request by Kelley Cruzan, for a **Zoning Change** from a Single-Family-2 (SF-2) zoning district to **Planned Development-Single Family-2 (PD-SF-2)** zoning district, located at 106 McClain Street, (Property ID 170768) - Owner: Thomas Jordan (ZDC-58-2024)

#### **RECOMMENDED MOTIONS**

- "I move to recommend denial of ZDC-58-2024, a Zoning Change request from a Single-Family-2 zoning district to a Planned Development-Single-Family-2 zoning district."
- "I move to recommend approval of ZDC-58-2024, a Zoning Change request from a Single-Family-2 zoning district to a Planned Development-Single-Family-2 zoning district, subject to the conditions the staff report."

#### APPLICANT REQUEST

The applicant requests to rezone the subject property from a Single Family-2 district to a Planned Development-Single-Family-2 zoning district to allow for a home 800 square feet in size.

#### CASE INFORMATION

Applicant:	Kelley Cruzan
Property Owner(s):	Thomas Jordan
Site Acreage:	0.180 acres
Current Zoning:	Single Family-2 (SF-2)
Requested Zoning:	Planned Development-Single-Family-2 (PD-SF-2)
SUBJECT PROPERTY General Location:	106 McClain Street
Parcel ID Number(s):	170768
Existing Use:	Undeveloped
Development History:	The subject property is platted as Lot 2, Block 42B of the Town Addition.

Adjoining Zoning & Uses:

Direction	Zoning	Current Use
North	Single Family-1 (SF-2)	Single Family Residence
East	Single Family-1 (SF-2)	Single Family Residence
South	Single Family-1 (SF-2)	Single Family Residence
West	Single Family-1 (SF-1)	Single Family Residence

Future Land Use Plan:

Downtown

Comprehensive Plan: It is most appropriate to think of the Downtown placetype as a modification of the mixed-use neighborhood placetype. Waxahachie benefits from an attractive historic core and this placetype serves to preserve and allow for incremental improvement of that area. The core of Downtown is ripe for quality vertical mixed-use development. New single-family homes are generally discouraged here as denser housing types are desired in downtown to provide more patrons to support the abundance of local businesses downtown. Attached and stacked housing is appropriate, since the downtown core is predominantly developed, denser housing will most likely occur on the fringes or edges of downtown. Active rooftops, sidewalk cafes, and parklets are an opportunity to further activate the downtown core.

Thoroughfare Plan:

The subject property is accessible via McClain Street.

Site Image:

#### **PLANNING ANALYSIS**

The applicant proposes to rezone the subject property from a Single Family-2 district to a Planned Development-Single-Family-2 zoning district to allow for a home 800 square feet in size.

## Planning Analysis (continued):

The subject property is situated within the Infill Overlay District, which establishes development standards that supersede the base Single-Family-2 zoning district on the subject property. The Infill Overlay District was established to facilitate residential development of vacant lots in the core of Waxahachie that present challenges for traditional development due to their size and shape. The Infill Overlay District allows for lot size, lot dimension, setback, home size, and parking requirements that are based on existing development within 50' of the property in question.

In regards to 106 McClain Street, the Infill Overlay District requires a minimum home size of approximately 2,000 square feet. With this Planned Development request, the applicant proposes to reduce the minimum home size requirement to 800 square feet to allow for a two-bedroom, one-bathroom home. Additionally, the applicant proposes a modification to the parking requirement for 106 McClain Street to allow for a gravel driveway as opposed to a concrete driveway. No other deviation from the typical requirements of Single Family-2 zoning district or Infill Overlay District is proposed.

## PROPOSED PD DEVELOPMENT STANDARDS

The following table identifies typical development standard required in the Infill Overlay District in comparison to the proposed development standards for this PD. *\*Items highlighted in bold indicate a deviation from the Infill Overlay District requirements.* 

<u>Standard</u>	Infill Overlay District	Proposed PD
Maximum Height	2 stories	2 stories
Minimum Dwelling Size	90% of homes within 50' (approximately 2,000 SF)	800 SF
Minimum Front Yard Setback	Within 5' of adjacent homes	Within 5' of adjacent homes
Minimum Side Yard Setback	10% of Lot Width	10% of Lot Width
Parking Regulations	Minimum of 2 concrete parking spaces behind the front plane of the home.	Minimum of 2 <b>gravel</b> parking spaces behind the front plane of the home.

#### **PUBLIC NOTIFICATIONS**

To comply with State law contained in Local Government Code Chapter 211 and the City's public hearing notice requirements, 28 notices were mailed to property owners within 200 feet of the request. In addition, a notice was published in the Waxahachie Sun and a sign was visibly posted at the property.

## PUBLIC NOTIFICATION RESPONSES

Staff has received one (1) letter of support and three (3) letters of opposition for the proposed zoning change.

## RECOMMENDATION

Based on the details provided in this Staff Report and the present status of the documents subject to the request, if considering a recommendation for approval:.

#### Conditions:

1. All development within the subject property will be subject to obtaining building permits from the City in accordance with the City's applicable rules and regulations governing such permits.

#### ATTACHED EXHIBITS

- 1. Public Notification Responses
- 2. Location Map (Exhibit A)
- 3. Development Standards (Exhibit B)
- 4. Site Plan (Exhibit C)
- 5. Foundation & Floor Plan (Exhibit D)

## **APPLICANT REQUIREMENTS**

- 1. If approved by City Council, within 30 days the applicant shall provide the Planning Department one revised electronic plan set that incorporates all comments.
- 2. Once the revised plans are provided, staff will verify all outstanding comments were satisfied.
  - a. If comments were not satisfied, then the applicant will be notified to make corrections.
  - b. If all comments were satisfied, staff will proceed to file the approved PD Ordinance.

To whom it may concern:

Concerning Case No ZDC-58-2024, it is my understanding that you are proposing to change the zoning in order to approve a tiny house located at 106 McClain Street. I am against this zoning change, because I feel like it will greatly decrease the property values of the rest of the homes in the neighborhood and will open the door for more tiny houses to be placed in our neighborhood which will further decrease our property values. I don't think that type of home will match up to what's in this neighborhood already and will be out of place and unsightly.

Thank you,

# Lorrie Ann Pogue 123 McClain Street

## **DEVELOPMENT STANDARDS**

## **Purpose and Intent**

The purpose and intent of this Planned Development (PD) Zoning Change Application is to facilitate development of the subject property in a manner that allows residential development. Any conditions found within the Single Family Residential 2 (SF-2) zoning district or Zoning Ordinance that are not written herein, shall default to the City of Waxahachie's Code of Ordinances.

## Compliance with the City's Comprehensive Plan

Zoning District SF-2 is the intended zoning classification underlying this PD request. Any variations to the base zoning district regulations and comprehensive plan are as detailed in this PD request document.

## **PD District Development Standards**

## **Proposed Use of Property**

The PD Concept Plan is intended to allow for one small single-family residence adequately sized for the 0.180-acre lot, and complimentary to existing small homes in the Waxahachie Town Addition.

# **General Development Requirements**

Minimum Lot Area is 7,500 square feet.

Minimum Lot Width is 45 feet.

Minimum Dwelling Unit Area is 800 square feet.

Minimum of two off-street parking spaces, consisting of gravel, behind the front plan of the home shall be provided.

A 3' hard surface walkway from the sidewalk or driveway to the front of the home shall be provided.

City Ordinance Number 2596, which is colloquially referred to as the City's Infill Ordinance, shall be the basis which sets the standards for the construction of this residential structure within this PD.
