5. Comments by Commission members and Heritage Preservation Officer

Anita told the Commission that she had submitted their CLG grant for funding the residential design guidelines. She also submitted an application to host a regional CLG training in 2019. We should find out in January about both of those projects. Anita also told the board that the updated ordinances would have to be revised so the numbers would match those in the updated zoning ordinance. When this takes place she would like to increase the required support for implementing an Overlay to 51% from the current 30%. There was some discussion and it was agreed that change would be made.

6. Adjourn

A motion to adjourn was made by Shannon Simpson and seconded by Glinda Felty. **All ayes.**
Meeting adjourned at 5:58 pm.

Respectfully submitted by Anita Brown
